

\$3,723,000 Boost in Locally-Set Assessment

Review Board Lists
GC, Nameokii Raises;
Venice Township Down

Quadrant assessment has been set at \$227,999,585, an increase of \$3,723,455, it was announced today by Miss Eulalia Holz, county clerk, who expects new tax rates to be known in six weeks.

The figure does not include state-assessed railroad property and capital stock, which a year ago amounted to \$14,427,437 for a \$238,003,567 total. Miss Holz has just received the county-wide state railroad and stock data, but it has not yet been determined for each township.

The county clerk also announced this week that Madison county's 1960 assessed valuation was \$794,055,549, a \$16,297,047 increase.

Grand total for the county includes \$756,600,805 locally determined, as certified by the County Board of Review, up \$16,746,360 from the 1959 local valuation announced a year ago, \$345,550,794 state-assessed railroad property down \$731,413, and \$282,950 capital stock, up \$2,923,960.

In announcing mailing of the county assessment abstract to the Illinois Department of Revenue in Springfield, Miss Holz said "work is now proceeding to establish the valuation allocated to the different taxing districts."

"Our tax department is pushing the work to establish the valuation of each of the 126 taxing districts of the county, which must include state and local capital stock assessments. Therefore, the rates will be computed and extension in the collector books will be done by the county clerk's tax staff."

\$15 Million By Assessors
Of the \$16,746,360 rise in locally-determined valuation, assessors made net increases of \$15,001,185 in the final (Board of Review) 1959 assessment and the Board of Review revised this upward by \$1,745,175.

Assessors listed \$14,247,500 more than they had a year ago, when the Board of Review reduced their county total to \$733,556.

The new \$227,999,585 Quadrant total—not counting state-assessed railroads and capital stock—consists of \$143,543,660 for Granite City township, up \$53,388,785; \$62,368,085 for Venice township, down \$16,618,315; and \$21,387,895 for Nameokii township, up \$33,285.

Major Change On Lots
Another breakdown of the \$227,999,585 tabulation shows \$93,291,330 in personal property, up \$81,500; \$20,992,845 in lands, up \$183,730; \$101,136,335 in lots, up \$3,479,025; and \$278,880 in locally-assessed railroad property, down \$800.

Local Minister, 2 Others Hurt In Auto-Truck Crash

Three persons were injured, one critically, in an auto-truck crash about 4:30 p.m. yesterday at the intersection of State Routes 35 and 111 near Lakeside Airport.

The heavily refrigerated meat delivery truck was knocked over on its side. Hospitalized here were Rev. Goran Shrikian, 33, of 821a Niedringhaus avenue, pastor of St. Gregory's Armenian Apostolic Church, driver of the auto, and the trucker, Louis Charles Debus, 45, of St. Louis.

Injured critically was Miss Shiraz DerManuelian, 40, of Watertown, Mass., who was in an emergency car at St. Elizabeth Hospital before being transferred to Barnes Hospital, St. Louis, with severe head injuries. Her condition today was described as critical.

Miss DerManuelian, a worker for the Armenian Relief Society, was traveling south on Route 35. The impact not only overturned the truck, but sent the smashed auto down an embankment.

The accident occurred during a rush traffic hour and vehicles were lined up for a mile in each direction while the wreckage was pulled to its wheels by two wreckers. The Long Lake volunteer fire department was called out to wash away gasoline that had spilled out of the truck tank.

Rev. Shrikian is being treated for possible rib fractures, abrasions to his right leg and multiple bruises. The trucker suffered a cut to the right side of his head, which required nine stitches to close. Their conditions were described as fair at the local hospital.

Undergo Surgery
The auto-truck was recovering at St. Elizabeth Hospital from surgery which they underwent this morning. The crash required nine stitches to close. Their conditions were described as fair at the local hospital.

8 DAYS WITHOUT QUAD-CITY TRAFFIC DEATH

A one-year contract with East St. Louis Engineer David J. Johnston for services to the city for motor fuel tax projects was placed in first reading Monday night by Granite City council members.

No mention was made of the fee amount, but Alderman Samuel Whitemer suggested that final approval of the contract be delayed until after the April 4 city election in the event the city administration be changed and the new officials favor another engineering firm.

Mayor Davis called upon Engineer Johnston, who was seated at the rear of the meeting room, and asked what would result if the Jan. 1, 1961, to Jan. 1, 1962, contract should be delayed until mid-April.

Johnston replied that all work would stop on MFT projects until April.

The fees set forth in the contract submitted by Johnston start at 12% of the total cost of projects costing \$500 to \$7500 and drop to 7% for projects costing \$250,000 to \$500,000.

Lower Fees In Venice
In Venice, where the motor fuel tax contract is with the local firm of Sheppard, Morgan & Schwab, the engineering fees start at 10% on projects costing less than \$10,000 and drop to 5% on projects of \$500,000 to \$750,000 total cost.

On a \$250,000 to \$500,000 project, Venice pays an engineering fee of 7%.

Operating Budget Of Levee Tops Million

Charge, Denial That
Board Control Reason
For 7-Trustee Plan

With operating expenses moving past the \$1,000,000 mark, the East Side Levee and Sanitary District's 1961 budget will total \$1,952,263, up \$69,765, it was announced this week.

Meanwhile, reports from Springfield indicate probable filing of a bill that would increase levee board membership from five to seven. The three-member majority that has failed to gain control of the district has called the plan a "political stunt" intended to bolster East St. Louis political machine domination of the district.

Dan Costello, named board president in a controversial 2-0 vote, yesterday proposed a proposed addition of two Madison county board members, saying they would make up about one-third of the levee district expenses and is entitled to representation.

To be eligible to vote in the special justice-convened election, a voter must be registered, and Miss Palula Holtz, county clerk, said today the final date for registration is only 11 days away—March 6.

Under the bill, Gov. Otto Kerner, supported in the 1960 elections by East St. Louis Mayor Alvin G. Fields, would appoint two trustees from Madison county, Lawrence Tolar, the other board president aspirant, said the move is intended to block two other board members allied with him.

Check Number Working
Costello denied that the levee board is being built up for political purposes this spring. The three-member group said expenses consist of \$250,015 for a survey this week to determine how many workers are on the levee.

The new levee budget includes \$110,685 for operating costs, \$34,275 and \$94,208 for salaries and interest, a rise of \$3,490. The allocations for operating expenses consist of \$250,015 for project costs, up \$23,025; \$95,500 for administration, up \$2,000; \$65,000 for engineering, up \$500; \$280,500 for general maintenance, up \$5,600; \$46,000 for (Continued on Page 7, Col. 3)

3 File For 2 GC School Positions

Three persons filed for two positions on the Granite City school district board of trustees as the filing period opened yesterday.

The filing were Howard W. Kienberg, incumbent, who is board secretary; Glenn C. Abenberger, incumbent; and George J. Slidman, who filed petitions were submitted in that order.

Kienberg, a local resident for 39 years and a veteran of world war I and the Korean war, operates a contracting business on the east side of the city.

Abenberger is a local resident for 39 years and a veteran of world war I and the Korean war, operates a contracting business on the east side of the city.

Slidman is a local resident for 39 years and a veteran of world war I and the Korean war, operates a contracting business on the east side of the city.

Payment Breakdown
The contract calls for 8% of the fee to be paid with presentation of preliminary estimates and 92% on completion of detailed plans and specifications and 35% for general supervision.

For all other engineering services which cannot be paid on percentage rate, the city is to pay the engineer on a per diem basis which would consist of the amount of the payroll chargeable to the city plus a 10% fee for overhead, readiness to serve and other expenses. The engineer is to prepare and submit construction records and reports required by the state.

Thieves Enter MHS Smash Glass, Hurl Typewriter In Mud

A burglar broke ten door glasses and stole a typewriter from Madison high school early Wednesday. The damaged typewriter was found by police in a lot at Farish and Sken streets, where it had been thrown up and down into mud.

The intruder apparently was gained by breaking a 24x36-inch glass in the door of a coaches' lounge on the south end of the school. The intruder is believed to have left through the front door after breaking another door glass to reach the main hallway, and others to enter offices and classrooms.

A loudspeaker unit was moved by the burglar from the main office to the janitor's office.

Burglary At Brandings
Cigarettes, cigars and miscellaneous items with a total value of over \$200 were stolen from Branding Market, 2301 Delmar avenue, in a burglary discovered this morning.

The thieves, who also left the door of a meat cooler open, entered the building through a basement window, first removing a board covering and removing an exhaust fan. The fan was smashed and the window was broken.

Portable Radio Theft
Madison police this week are investigating reported theft of a portable radio from the home of Gilbert Corbett, 1347 (rear) Madison avenue, Feb. 18. A smashed new portable radio was found by two 14-year-old boys Monday afternoon in a field at the end of O'Hare avenue.

Four or five bantam hens in a pen at 1539 State street were stolen Monday night, according to a report made to Granite City police by Pauline Brown, of that address. She said the pen was in the yard of Hillier & Co.

Pickup Truck Stolen
A green and white half-ton pickup truck owned by Sam Brookshire, 49, of 422a Madison avenue, Madison, was stolen from the 1400 block of Fourth street between 2:30 and 3:30 (Continued on Page 7, Col. 5)

City Parking Lot For 245 Vehicles Being Studied

Off-Street Commission
Favors 18th St. Site;
\$201,000 Cost Estimate

An initial presentation of an off-street parking program for downtown Granite City was presented Monday night to the city council.

Proposed was development of a 245-car lot in the 1800 block between Edison avenue and State street at a cost of \$201,943. Mayor Davis said a special caucus session would be called within two weeks to study details of the program.

While the method of financing has not yet been decided upon, the issuance of bonds has been considered, and the lot would be equipped with parking meters.

Some All-Day Spaces
Sauerwein told council members a section of the lot could be fenced and equipped with an automatic gate to provide all-day parking facilities for downtown business. A study made in 1959 showed 125 additional parking spaces were needed in the downtown business district.

A member of the Off-Street Parking Commission, Leonard Felsheim, told the Press-Record the 18th street location was favored because it is the largest and most convenient and that it could be developed at far less expense than three other sites, which would require the raising of a larger number of buildings.

For the 18th street location, a service lot of 180 spaces, 25th and State streets and two frame dwellings in the 1800 block of State street would have to be razed. Most of the tract is owned by the Granite City Trust & Savings Bank.

Sauerwein said five layouts have been sketched for the 18th street lot to provide parking spaces for 230 to 258 vehicles. The lot would be bounded by the Off-Street Parking Commission calls for 245 parking stalls.

The lot would extend 250 feet from 18th street along State street and 345 feet along Edison avenue. In addition to being equipped with parking meters, the lot surface would be paved and drained as well as lighted.

Three Other Locations
The other three locations proposed in the study, for total development costs were not expected to be approved. They were secured, would be smaller and require the raising of a greater number of buildings.

They include a location at 19th street and Cleveland blvd., a lot of 180 spaces, 25th and State streets and two frame dwellings in the 1800 block of State street would have to be razed. Most of the tract is owned by the Granite City Trust & Savings Bank.

County To Consider Use of Vote Machines

A study for possible use of voting machines throughout Madison county was authorized Tuesday during a meeting of the county board of supervisors at Edwardsville.

Adopted was a resolution authorizing Board Chairman Gus Haller to name a special committee to study advantages of voting machines in operation in counties of comparable size.

Haller indicated he would name the committee in the near future. The group would report costs, the number to be used at one time, maintenance and storage costs and possible overall savings or added expense through the use of the machines in future elections.

The resolution calls for the report to be given by the July board meeting with a possibility that the purchase might be included in the county's budget for the new fiscal year starting Aug. 1.

Why is this medicine
So Expensive?

When you think today's "miracle drugs" are expensive, measure the results they give. Measure your savings in hospital bills avoided, costly operations prevented, in time off your job. Measure the health restored, the lives saved. Yes, the miracle drug prescription your doctor orders today costs you more — but it isn't an expense, it's an economy.

GC Solons Reject Bank Request For Delmar Driveway

A recommendation by the Street and Alley committee to permit the installation of a 30-foot driveway at 1520 Delmar avenue to provide an additional entrance-exit for the new building at the Granite City Trust & Savings Bank was voted down 6-0 Monday night by city council members.

The bank plans call for the driveway permit and raising the present building of Ben Schermer Hardware store.

Alderman Samuel Whitmer, chairman of the committee, told council members the driveway would permit the Trust bank to have the same drive-in teller window facilities as the former Granite City National Bank, with drive windows extending between State street and Edison avenue.

"Traffic Relief On Delmar," "The idea," Whitmer added, "is to relieve some of the traffic congestion on Edison avenue."

Alderman Charles Meyer commented, "I don't know how the downtown area can get any more fouled up. The congestion at Netheringham and Delmar avenues is a problem now. Seems we're always taking care of the businessmen. Maybe we ought to take care of the people for a change."

Meyer pointed out the return to two-way traffic in the business district had not brought about a solution to traffic congestion.

He was reminded by Alderman Casmer Skubish that two-way traffic was an experiment to be tried for one year.

In a roll call vote, aldermen favoring the driveway were Frank Nemeth, Skubish, Whitmer, Steve Basarich, Robert Gaughan and Frank Vesel. Opposing it were Rufus LeMaster, Meyer, Donald Partney, Paul Rutledge, Mrs. Gabrielle B. Wieser and Samuel Shackelford. Absent were Alderman Walter Norn and Emil Von Schmittou.

Rev. Clark To Speak At Teachers' Installation

Grand avenue, extending virtually to 20th street on the west side of the alley between State street and Grand avenue. Development of the lot would require the razing of the Salvation Army headquarters and a large number of four-family flats along Grand avenue.

Council members were told they could study the proposed layouts in the city engineer's office at the city hall.

No date has been set for the caucus session.

House-To-House Canvass

700 Volunteers To Stage 'Heart Sunday' Fund Drive

More than 700 volunteers will stage an extensive house-to-house canvass on "Heart Sunday" this weekend in an effort to top last year's total collections of \$5753. Alex Ducinel, Quad-Cities Heart Fund drive chairman, said today.

"Heart Sunday" donations last year accounted for —\$4117 of the total.

The campaign will be held in Granite City, Madison, Venice and Mitchell, and is being directed by Alvin Judeeman, "Heart Sunday" chairman.

The drive will be divided into sections, with captains heading their divisions.

Captains of the five Granite City divisions are Mrs. Lucille Seegdy, of Epistol Eta chapter

of the Epistol Sigma Alpha sorority; Miss Alice Holmhouse, of the Beta Iota chapter of Beta Sigma Phi; Mrs. Norma Boyer, of Beta Phi chapter of Epistol Sigma Alpha; Warren Markwell, of the Roca club and Walter Gehling, who is not a member of a group.

Frank Hanfelder is chairman of the Mitchell drive and Robert Roscoe, commander of the Madison-Venice American Legion Post 307, is captain for the Madison-Venice drive.

Coin containers have been placed in business places and letters have been sent to business and industry asking donations.

Volunteers will consist of members of organizations, and individuals who are not members of groups.

Aaron Brien, 53, Former Madison Principal, Dies

Aaron Brien, 53, Springfield, secretary of the state Teacher Certification Board, and former teacher and principal in the Madison school district for 18 years, died at 1:25 p.m. Tuesday at Memorial Hospital, Springfield, of cancer.

Mr. Brien had been in ill health for a year and a half, and was a patient at the hospital since October.

He came to the Madison district in 1929 as a teacher and coach for junior high students attending Harris school. In 1934 he became principal of Louis Baer grade school and held that position until 1948, when he became assistant Madison county school superintendent.

He added that the recommended \$9000 would be greater than salaries of the police and fire chiefs.

Favors Higher Salary
Alderman Steve Basarich said the magistrate job "is more than that of a justice of the peace and the county has set that job at \$11,000 to include the expenses and hiring of a secretary. The basic salary of a new district justice of the peace in the county is \$6000."

Alderman Steve Basarich said the magistrate job "is more than that of a justice of the peace and the county has set that job at \$11,000 to include the expenses and hiring of a secretary. The basic salary of a new district justice of the peace in the county is \$6000."

Skubish pointed out the present magistrate puts in seven days a week on the job providing a convenience for the public. He's there on Saturdays and Sundays because the office is on a fee basis," Meyer commented adding that he did not believe the office would be open weekends after being placed on a fee salary.

In a roll call vote on the amendment, it was defeated 6-8. Voting for the \$10,000 salary were Alderman Rufus LeMaster, Frank Nemeth, Skubish, Basarich, Robert Gaughan and Frank Vesel. Opposing it were Alderman Meyer, Donald Partney, Paul Rutledge, Samuel Wieser, Mrs. Gabrielle B. Wieser, Emerald Daves, Arthur Wieser and Samuel Shackelford. Those absent were Walter Norn and Emil Von Schmittou.

In the vote to place the \$9000 salary on the first year of the "no" vote were registered by Basarich, Gaughan and Vesel.

GCHS Mat Title Aspirants To Champaign Today

Largest Warrior Representation Since '57; Bouts Begin Tomorrow

Seven Granite City high school varsity wrestlers, who are survivors of district and sectional eliminations during the past two weeks and have each won at least 23 matches this season, left at noon today for Champaign and the state prep wrestling tournament.

Accompanied by Coach Bill "Red" Schmitt, by no means an unfamiliar face at the state finals, and Trainer Al Lewis, the Warriors represent the largest contingent of GCHS grapplers to advance to the Illinois high school finals since 1957, when Granite City finished second as a team.

The seven state-bound Warriors are: Ernie Taylor, 103 pounds; Buddy Felchlin, 127; Eldon Poole, 145; Bill Ridings, heavyweight; Sam Fazio, 138; Bob Cruse, 154; and Roger Bloodworth, 120.

Three Are Veterans
Taylor is a veteran of state competition, losing first-round

matches in 1959 and 1960, while Felchlin and Ridings also are making a return trip to Champaign. Both lost first-round matches there last year.

Between them, the seven GCHS wrestlers have amassed a total of 175 victories. They have lost 12 and grappled to four draws.

Preliminary bouts at Champaign will begin at 1 p.m. tomorrow, with the quarterfinals wrestled at 7 that evening. The semifinals are scheduled to begin at 10:30 a.m. Saturday and

the finals at 3 o'clock Saturday afternoon. Schmitt, who put his seven state title aspirants through one final workout here Wednesday afternoon, said the group's overall conditioning is "better than it has been at any time this season," although Fazio is bothered by a slight chest ailment and Bloodworth with sore muscles in one shoulder.

Return Here Sunday

Regardless of how they fare as a group or individually, the team will remain in Champaign Saturday night, Schmitt said, and will return to Granite City late Sunday afternoon. The wrestlers are booked as guests at fraternity houses on the University of Illinois campus for the three nights they will be in town. Neither Schmitt nor his grap-

plers knew who their first-round opponents would be when they departed today, since the IHSA pairings were not released until this morning and did not reach the squad before it departed.

They were aware that the district and sectional survivors from 154 schools outside the Chicago area will be on hand, including representatives of the defending team champion, East Leyden.

Defending state titlists back this year include Waikage's Rick Bay, 154-pounder with an ambition of becoming the third three-time title winner in state tournament history; Thornton Fractional North's Bob Hopp, who will defend his heavyweight title; Larry Park of Pekin, the 1960 champion at 112 pounds who wrestles 120 this year; Waikage's 145-pound champion from last year, Henry Gaston,

who weighs in at 165; and the 180-pound 1960 champ, Fred Coe, of North Chicago, competing in the heavyweight division this year.

Following is a rundown of the records of individual GCHS wrestlers who will compete this weekend:

Individual Records

Taylor — co-captain of the GCHS team with a 27-0-3 record this season; a senior; won the Normal University high school title at 103 pounds; has 14 falls and 112 team points in 1960-61. Felchlin — competed in the state tournament as a sophomore last year, has a 26-1 record this season; winner of district championship at 134 pounds; only a state finalist at 127 junior, had a 25-3 record this season; won the title in his weight division at the University meet. Poole — another junior, the

145-pounder won 26 and lost one this season; 16 of his wins came by pinning opponents; has accumulated 110 team points and was runner-up in his weight at the University meet.

Ridings — senior and co-captain of the GCHS squad, with a 25-2-1 record for the season; third in heavyweight division at Normal; one of his losses this season was to 1959 state champ Fred Coe; is district and sectional heavyweight champion.

Fazio — only a junior, but district and sectional champion at 138 pounds; runner-up in his division at Normal tournament.

Cruse — district and sectional champion at 154 pounds; only a state finalist at 127 junior, had a 25-3 record this season; won the title in his weight division at the University meet.

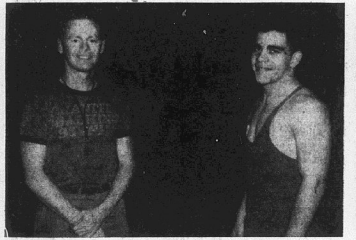

Bloodworth — the fifth junior member of the GCHS squad making the trip is sectional champion at 120 pounds; won the title at the same weight at the Normal tournament; record for the season is 23-3-1.

1967 Recap

In 1967, the year GCHS finished second at Champaign, the state team title was won by Proviso high school. All seven of Granite City's entries that year scored points.

GCHS place winners were George Nemeth, 95-pound state champion; Pat Cline, runner-up at 133 pounds; Don Mega, third at 120 pounds; and Bill Harris, fourth at 154 pounds.

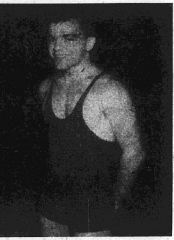

Others scoring points were Mike Trogovich at 103, Jasper Chepley at 127 and Larry Maxfield at 145.

Madison Rocks Comanches 68-41, Completes 10-0 Conference Season

Madison's high school Trojans, a basketball club which often seems to play only as well as it is forced to, routed Cahokia's Comanches for the second time this season Tuesday night on the lower court, 68-41, to end its Midwestern conference season with a perfect 10-0 slate.

Earl McClanahan's clan has one regular season game remaining — Friday night at home with Belleville — before facing the winner of the Triad district tournament in first-round play at the Granite City regional tournament on Monday.

Webb Field To 7
Big Green defense held the Comanches' leading scorer, Charlie Webb, to but seven points Tuesday and Coach Earl Lee could get only 34 points from among 10 other players he used as Cahokia ended its regular season with a 7-13 record.

The loss broke a four-game Cahokia winning streak, while Madison was marching to its 17th win in 21 games.

Cahokia, short on experienced seniors but loaded with sopho-

mores who figure to be a threat in the MWC in the next couple of seasons, could count only 14 times from the field in 38 attempts for a .368 shooting mark, while Madison nearly doubled that total with 26 field goals in 56 tries for a .464 average.

Webb, as adept a shooter as the conference can claim, simply had a bad night, sinking only two fielders and missing seven shots in one stretch during the first half. The only player in double figures for the Comanches was Sophomore Larry Letz, who hit 10 points and got eight of them on layups.

Game Tied Once

Cahokia never led in the last MWC game of the season, Dave Levin's jumper with 2:30 remaining in the first period tied the score at 11-11, but Madison pulled steadily away, scoring 14 points in the first period, 16 in the second, 18 in the third and 20 in the final eight minutes.

By intermission it was 30-18 in favor of the Trojans, with Madison picking up only two fielders in the second period. Ken Griggs, on the bench the entire first quarter, sparked Madison

by hitting four out of five shots he took in the second quarter.

Don Freeman and Ed Walker, together supplying the lion's share of Madison's scoring and rebounding, combined for 36 points, 19 of those coming in the second half. Madison hit the first four shots it took in the game.

JV Wins No. 16

Madison's junior varsity squad gave Coach Lee Ashby his 16th victory in 17 games this season by winning the preliminary contest, 50-34. Charles Kossek scored 20 points for the winners, followed by Terry Andrews with 11 and Ed Petty with 10. Cahokia's Jayvee had forced Madison into overtime before losing in their earlier meeting at Madison.

The varsity scored Madison — Ed Walker 20, Don Freeman 16, Ken Griggs 12, Dan Hrysko 8, Charles Vemarsky 8, Shirley Barton 2, Mick Graville 2, Bob Haynes 0, Charles Kossek 0, Cahokia — Larry Letz 10, Charlie Webb 7, Butch Talbott 6, Ken McBride 6, Dave Levin 3, Dave Miller 2, Bruce 2, Mel Acroff 2, Bill Yarborough 1, Louis Murdock 2, Bob Thomas 0.

Tourneys Saturday For Bantam, Midget Basketball Squads

Thirty-two teams which participate in the Granite City park district's boys' basketball program are entered in separate one-day tournaments which will be run off Saturday at two local basketball courts.

Fourteen teams will participate in a Bantam division tournament which will be run in its entirety at the Prather junior high school Saturday, beginning at 9 a.m. and concluding with a championship game at 4 p.m. Teams entered in the meet are from the Red, Blue and Green leagues which played a regular park district schedule.

The Midget division tournament has drawn 14 team entries. All but three of the tournament

games will be played at the Prather gym, the exceptions being two first-round games and one quarterfinal game scheduled at the park district community center.

The Midget tourney runs during the same hours as the Bantam event. The winners in both divisions will receive trophies.

Riddle SWC Top Scorer; Knight 5th

Fred Riddle and Bob Simpson, a couple of transfer students from Madison high school who have been playing the prep basketball trade for Collinsville's Kahoks the past two seasons, are the 1-2 scorers in a final tabulation among pointmakers in the Southwestern conference.

Granite City's Frank Knight was the conference's fifth leading scorer, and Teammate Jim Simpson is also listed among the top 10 in point production during the 12-game conference season.

All but one of these scored better than 150 points, and there were 17 players who averaged 10 points or better for the 12 games. Absent from the top ten is the name of Collinsville's Bogle Redmon, who still managed 139 points despite playing only two-thirds of the conference schedule due to an ankle injury.

Knight led all conference performers in number of field goals with 85, one better than East St. Louis' Marty Frano.

Regional Tourney Ticket Information

Between 500 and 600 tickets to Tuesday night's session of the Granite City regional basketball tournament will be available at the door that evening. GCHS Principal Lawrence McCaskey said this morning.

He based the estimate on the rate of ticket sales for the second session of the tournament, which includes first-round games between Edwardsville and Alton at 7 p.m. Tuesday, and Granite City and Wood River at 8:30.

Tickets for this session are still being sold at the GCHS office to Granite City school district residents only, and are priced at 75 cents for students and \$1 for adults.

However, there will be few if any tickets available at the gate Monday night for the tournament's first session, which includes the Collinsville-Roxana and Madison-Triad district winner games, McCaskey said.

A capacity crowd is expected for this session.

Madison high school Principal John Palchett said his school's supply of tickets for the Monday night session is nearly exhausted, and that tomorrow will be the last day on which they will be available to Madison district residents at the MHS office.

No standing-room-only tickets will be sold for any of the regional sessions. All tickets purchased at the gate will be priced at \$1.

Tickets for the semifinal games next Wednesday and Thursday evening and the Friday night finals will be distributed among schools whose teams advance in the tournament. The number of tickets available through any one school will be based on the school's enrollment.

Unsold tickets will be returned here and placed on sale at the gate approximately one hour before the scheduled start of any session.

Prather Grapplers End Season With 28-24 Victory

Wrestlers at Prather junior high school closed out their season as they began it — with a victory — by edging Roxana JHS on the losers' mats Tuesday, 28-24.

Coach Bob Zalewski's masters ended their first season with a 2-8 record. Both teams won six matches Tuesday, with a default and one more Prather pin making the difference in the final point tabulation.

The results:
95 pounds — Richard Gizard (P) pinned Bryant in 1:28, 103 Jerry Stearns (P) won on default, 112 — Wiseman (R) defeated Pat Kincaid 4-0, 120 — Barnard (R) defeated Walter Conklin 7-4.

127 — Marmino (R) decisively Mike Nicholas 2-0, 135 — Moxey (R) pinned Ernie Ernst 3:53, 138 — Ted Wasylak (P) decisively R. Moxey 4-2, 145 — Jeffers (R) pinned Bill Stearns in 5:10.

154 — Mike Theube (P) pinned Carmine in 1:29, 165 — Tom Giller (P) pinned Major in 1:28, 180 — Mike Britton (P) pinned Red in 5:06, heavyweight — Cadel (R) pinned Don Alfaro in 2:42.

Falcons Advance In Staunton Meet With 55-34 Win

Sacred Heart of Granite City ripped St. Louis of Nokomis 55-34 last night to advance to the semifinal round of the Staunton parochial school basketball tournament.

The Falcons play St. Mary's of Litchfield at 8 o'clock tonight and, by winning, could advance to the championship game, which will follow a third-place contest Saturday night. St. Mary's defeated St. Matthews of Alton to gain the semifinal round.

Sacred Heart had too much height for St. Louis, opened up a 25-19 halftime lead and widened the gap steadily thereafter. Facing the Falcons' attack were Joe Hauptmann with 16 points, Vince Debeve 14 and Bill Moran 12.

Racing Cars, Dragsters On Display At Hot Rod Clubs' Dance Saturday

The Venice-Madison American Legion Dugout on Broadway will be the site of an orchestra dance and automobile display Saturday night, co-sponsored by the Madison Chariots and Belleville Gear Jammers, area hot rod clubs. Chariots president, Ronnie Smoltz of Madison said the dance will begin at 8 p.m. and continue until midnight. Displayed adjacent to the dance floor will be various types of auto racing machinery, including "diner" and customized autos owned by members of the two clubs. Persons attending the dance will be asked to cast ballots for the roadster and dragster they believe have the best appearance and workmanship, and two "people's choice" trophies will be awarded to the owners of the display.

winning cars at the conclusion of the event.
Proceeds from the dance will be used by the sponsoring organizations to further club activities. Included among their past activities, the Chariots have sponsored auto safety clinics and provided refreshments to stranded motorists. Admission to the dance will \$1 a person.
Among racing machinery to be displayed is a Corvette-powered, open dragster, owned by Bob Murray of Madison, which has been clocked at 162 m.p.h. in standing-start quarter-mile runs.
Micro-midgets similar to those which run on a local track during the summer, go-carts and racing engines also will be on display.

Rams Loom As Threat To Triad After Win

Hall Gets 35-Points To Lead Team In 64-57 Victory Over Marquette

In the wake of last night's 64-57 victory over Marquette, Lincoln team of Venice looms as a threat to topple the mighty Triad Knights as the two teams lock horns in the championship battle at 8 p. m. tomorrow in the Triad District tournament.

The Rams will have to stop 6-5 Dennis Neumann, top Knight scorer, who also gives his Triad mates a height advantage.

Lincoln's tallest man is Thomas as Hall, who carries a 27-point per-game average into the game. Triad, beaten only once in 24 encounters, stands the chance of facing its roughest competition in Coach Stan Lynch's Rams.

Knights Crush Lovejoy Art Paul's Knights crushed Lovejoy 94-71 last night and will play their talent against a Lincoln team which has been rapidly improving over the past five contests. The Triad triumph will get their first look at Thomas Hall, who rimmed 35 markers in the Marquette contest.

The Rams, whose lead was never in serious jeopardy in their victory, pushed across their victory with a balanced attack.

Marquette had unsuccessfully employed a pressing defense in the final half and could not keep sharpshooter Hall from collecting his highest one-game total of the season.

Robert Davis and Henry Rice added 10 points apiece.

Lincoln jumped to a 16-13 quarter lead and held it throughout the game. The Rams were ahead 34-24 at halftime and 48-34 after the third quarter.

Rams Now 10-7 The victory brought Lincoln's overall record to 10-7.

Other Lincoln scorers—Charles Hatter four and Earl Crawford, five.

police department, up \$4800; \$35,000 for the Illinois Municipal Retirement Fund, same; and \$50,000 for principal and interest tax collection deficiencies.

An estimate of available funds lists \$2,731,905, compared to \$2,583,252 given in the budget a year ago. This a balance of about \$800,000 is anticipated.

The \$2,731,905 figure consists of \$1,689,899 balance and receipts in bond and interest accounts, and \$1,042,006 in operating accounts, including \$621,145 for projects, \$99,788 administration, \$126,193 engineering, \$273,271 general maintenance, \$46,273 police department and \$73,273 municipal retirement fund.

A detailed breakdown of the new budget appears on pages 34 and 35 of this issue.

Venice, Madison Incumbents File

Incumbent school board members in the Madison and Venice school districts have filed for re-election less than 24 hours after the filing periods opened officially. Possible election opposition has developed in Venice, where two district residents have obtained petitions.

In Venice, petitions were filed with School Board Secretary Michael Leathman by incumbent Board Members Leo Davinor and Thomas W. Foley, who will seek re-election to three-year terms.

Obtaining petitions from the office of Venice Supt. John O. Pier were Fred B. Durer Jr., 601 Jefferson avenue, and William McGarran, 12214 Oriole street. Neither has filed. The deadline for filing is March 18.

Filing in the Madison district yesterday were incumbents John Bellefiori, board president; Henry Baucum, secretary; and Chester McManaway. Each seeks another three-year term.

Also filing was Frank Kelly, who was appointed to fill out the unexpired term of the late Elmer Kelly. Derner will seek election for a one-year period.

Madison Supt. Wensel Brown said no other possible candidates have obtained petitions from his office.

Pharmacists Plan \$100 Scholarship Program

A \$100 annual scholarship to St. Louis College of Pharmacy freshman students was voted Tuesday night by the Madison-St. Clair counties Professional Pharmacists Association in East St. Louis.

Presenting the award were Fred Schuler, Phil Sheridan, Bernard Miller Jr., Edwin Hassell, Donald Vaughn and Bill Dacworth.

Selections will be made by the college's dean, Dr. Carl E. Burpo. Belleville, will speak on hypnosis and its use in the medical field at the March 21 meeting.

Girl Scout Associate Council Formed Here

The transition from a traditional to an associate-type council was begun by the Tri-City Girl Scout Council this week with the installation of associate council officers who were elected last week.

The reorganized council is headed by Mrs. George Eshbanks as president. Other officers are Mrs. David Bergfield, first vice-president; Mrs. Elmer Stille, second vice-president; Mrs. Nevel Darnier, secretary; and Mrs. Jess Tawney Jr., treasurer.

Elected members at large of the board of directors were Mesdames Joseph Grant, Ralph H. Haskamp, Donald Jolly, Kenneth McQuinn, Lody Milkovich, Charles Rodell, Wilbur Waggoner and Thomas Weston. Also elected were Francis Judd and Alex Schenckhoff.

The council is being expanded to meet the growing needs of Girl Scout troops in the area, and to give each better representation at council meetings. A fifth Neighborhood has been added to the council, and four Neighborhood chairmen named. They are Mrs. Mary Massman, No. 1; Mrs. Wilma Hancock, No. 2; Mrs. Helen Santagato, No. 3; and Mrs. Pat Welch, No. 4. Mrs. Welch is to be named at a later date.

The council plans to conduct its semi-annual cookie sale beginning March 11, with Brownies taking part. Mrs. Doris Votaw is cookie sale chairman.

STUDY OF INDIANS BY SUNBEAMS

World Friends Sunbeams met Tuesday evening in Second Baptist Church to continue their mission study of "Blue Flower."

with Mrs. Calvin Penrod leading. The children sat on Indian blankets during the story and, for their handwork, drew Indian symbols on brown paper bags, in which they placed their collection of articles made during the book study. They also wrote scripture verses in booklets they are making. The display table held Indian dolls, games and an Indian village.

Present were Mrs. Penrod and Danny and Debby Laswell, who led in prayer, Mary Tooley, Susan Anderson and Bruce Freeman.

SEMI-MONTHLY MEETING
A semi-monthly meeting of Helen Lambert Sunbeams was held during the Sunday morning worship service of Second Baptist Church, with Mrs. Johnnie Mathis telling the story, "Miss Annie's Visit," and conducting group singing.

Artists, Date of Final Concert Are Announced

The Tri-City Community Concert Association has announced a replacement program for one originally scheduled on March 21 where the performer, dancer Angela Enters, will be unable to appear due to illness in her family.

The Rod Strong Dance Quartet will appear instead. The date of the final association program was also moved up three days to March 18. The artists who will appear here include Mr. Strong and three women dancers who specialize in ballet and interpretive dancing and have made numerous television appearances.

The concert association will meet Sunday at 2:30 p.m. in the Granite City Trust and Savings Bank, at which time new board members will be introduced.

GC Vocal Group Program To Feature Civil War

"Let Freedom Sing," an original patriotic musical, will be presented by the Granite City high school vocal music department on March 16 and 17 at the GCHS auditorium, Vocal Music Department Director Warren Simpkins said today.

In observance of the Civil War centennial, a great portion of the program will be devoted to the music which came out of both the North and South during the conflict. Simpkins said the musical will probably be the first local production in connection with the observance of the Civil War anniversary.

GCHS faculty members contributing to the original production include Miss June Clark, journalism instructor who will write the narrative and continuity; Wayne Hubbard, instructor in speech and English who will

narrate the program; Eugene Alassi, supervisor of art who will design special stage settings; and Louis Meek, director of instrumental music who will conduct the high school concert band.

Choral groups participating will include the advanced mixed chorus, cantando girls' glee club and the boys' glee club. Piano accompanists will be Jean Hinson, Linda Henley and Karen Brown.

In addition to music generally associated with the Civil War period, the program will include patriotic songs which originated during other struggles for freedom in this country.

When tickets are placed on sale by GCHS vocal music students and at Graham's Book store, they will be priced at 75 cents each, Simpkins said.

Plan Coolidge PTA Meeting, Style Show

The executive board of the Coolidge Junior High School PTA met at the school library Monday evening and made plans for future meetings. Charles J. Huls, president, conducted the meeting.

Mrs. Doris Thompson, chairman of the spring style show, reported on the progress of the show to be held March 16, and announced that 20 girls and 11 boys have signed to model. Mrs. Shirley Brown, who is assisting Mrs. Thompson, reported that the sale of tickets to underwrite the show is well advanced. Proceeds are to be used for PTA projects planned by the board for the current year.

Morris Helman, who is providing the clothing to be worn by the girl students, was a guest and arrangements for the girls to attend two fitting sessions in March. The boys will be dressed by Tratter's and shoes will be provided by Rosenbath's. Mrs. Vayne Durbin reported that they will be coordinated with apparel.

The February PTA meeting will be held next Monday at 7:30 p.m. in the all-purpose room at the school. The program will be under the direction of Miss Helen Pettigrew and will consist of a film on guidance and a talk on guidance, counseling and the testing program. Members attending the meeting were Ralph Eberhart, principal; Mrs. Brown, Mrs. Thompson, Mrs. Lois Haynes, Mrs. Durbin, Richard Policy and Richard Hodshire.

Many Entries In DUV Civil War Contest

A number of essays are expected to be submitted this week by junior and senior Granite City high school students in the statewide contest on the "Civil War Centennial," it was reported today by Mrs. Sylvia Turner, chairman of Daughters of Union Veterans Tent 50 committee.

The essays, which run from 300 to 500 words, will be screened by a local committee and then forwarded to the Illinois State Department, DUV, for final judging in June.

Mrs. Turner said Sarah Jane McVey, Tent 90 is but one of many civic, patriotic, military and veterans groups actively participating in observance of the 100th anniversary of the Civil War.

Membership in DUV, Tent 90, she said, is limited to lineal descendants, 15 or over, of those who served in the Union army or navy between 1861 and 1865.

Nameoki PTA Honors Former Presidents

At a regular meeting of the Nameoki PTA Tuesday evening, with President Herman Greve in charge, "Have History—Will Preserve" was the theme and past presidents of the PTA were honored in celebrating Founders' Day.

Mrs. Roland Harshbarger, past president, led the assembly in the pledge of allegiance and PTA prayer. A nominating committee was named to form a slate of officers for the March meeting. The members are: Omur Ronk, Mrs. Stanley Young, Mrs. Victor Anderson, Mrs. Walter Spielman and Edward Lorton.

In keeping with the month's theme, the first grade room of Mrs. Vera Farrow gave a play on "Our Cornerstones." The young students lit candles to represent home, church, school and government as Jenna Jo Schwendeman, a sixth grader, gave a reading.

Lighting the candles were Connie Lorton, Mark Belcher, Mike Staloff and Karen Woods. Mrs. Spielman conducted the program. The children also sang, accompanied by Mrs. Mildred Hedeiger, music teacher.

Guests introduced Earl Lee, former principal of the school, who in turn introduced and presented to the women past presidents: Mrs. Harshbarger, Mrs. George Holzschner, Mrs. Dawson Wade, Mrs. Harold Stewart, Mrs. Howard Bischoff, Mrs. William Fox, Mrs. Roland Pyle and Mrs. Spielman. A key chain was presented to Willis Shepard.

Founders' Day is observed each year by PTA units in February in honor of the two ladies, Alice McCallum Birney and Mrs. Phoebe Apperson Hearst, who founded the National Council of Mothers in Washington, D. C. Feb. 17, 1897, to aid and improve child training, extend kindergarten and form safety and health programs for children. The organization grew to the present-day Parent-Teacher Associations, which has groups in every state and has over 4,000,000 members.

Mrs. Farrow's first grade room was awarded the best-attendance prize, and refreshments were served by room mothers of first and second grade students.

Auxiliary Plans Heart Fund Dance

American Legion Auxiliary 113 met last night with Mrs. Mary Batson, president, in charge. Announcement was made that the local group had gone over its quota for the past year with a membership of 161.

A contribution was made to the "Chapel of the Four Chaplains," and plans were made for a dance Saturday evening at the Legion hall, the proceeds to go to the Heart Fund. The members are planning to participate Sunday in the Heart Fund drive. Mrs. Esther Harris reported on a recent pilgrimage to Lincoln's home in Springfield and Mrs. Lumeta Durbin read a poem entitled "I Am Your Flag." The remainder of the time the group was entertained with a Civil Defense motion picture on American shown by Robert Weston, and with games. Prizes were won by Mesdames Edna Branscomb, Ella McKittick, Esther Harris, Mary Batson, Adda Dishong, and Abbie Fox.

McKinley PTA Hears Talk By Music Director

"Knowledge of the Value of Music" was the topic discussed by Daniel Todoroff, director of music at Coolidge Junior High school, Tuesday evening at the monthly meeting of the McKinley PTA.

President Vasil Georgeff conducted the business session and appointed a nominating committee to select new officers. Those serving will be Mrs. Lois Hodge, Mrs. Norria Mobley and Mrs. Mrs. Winn.

Several members participated in a Founders' Day program, and reports were made by committee chairmen. Mrs. Rosemary Lemons was presented with a certificate in recognition of her work as Savings Stamp chairman, and Mrs. Estelle Monken discussed plans for a fair on April 23, appealing to the members for items to be sold in the "white elephant" booth.

The attendance banner went to Mrs. Clara Waltz's room, and refreshments were served by the third grade room mothers.

Scouts, Founders At Frohardt PTA

Past presidents of the Frohardt PTA were honored at a regular PTA meeting Tuesday evening. Mrs. Charles Rodell, president, conducted the meeting.

The colors were posted and read by Explorer Post 22, and Mrs. Rodell introduced the past presidents: Mrs. Joseph Grant, Mrs. Virgil Daigert and Mike Kavula. Corsages were presented to the ladies and a boutonniere to Kavan.

"Buzz" sessions were held on the school picnic, and findings of each group were discussed, and will be presented to a picnic committee to be named later. The nominating committee was chosen and consists of Mrs. John Haynes, Mrs. Earl Benoit, Mrs. Don Jolly and Mrs. Richard Preen.

Harry Wood, president of the area PTA, presented a merit award to Mrs. Russell Boushvard for her participation in the savings stamp program.

Scouts had charge of the evening's program. Explorers were in charge of the color; scouts of Troop 22 gave a first-aid demonstration, including the correct way to apply a splint and Cub Packs 22 and 24 used a South American theme, giving information on the countries, songs and an imitation rooster fight.

Mrs. Reba Land's third grade room was presented with a banner for the highest percentage of parents present. Refreshments were served by the third grade room mothers.

Prather PTA Plans Matinee

The February meeting of Prather Junior high school PTA took place Tuesday evening at the school with Howard Wigger presiding.

Mrs. Marian Hiedbink, ways and means chairman, reported on the show to be held March 18 from 10:30 to 12:30 a.m. at the Washington Theatre and announced that tickets would be available either at the school or the theatre. Three pictures and 10 cartoons will be shown. All proceeds will go to the PTA.

Named to a by-laws committee were Principal Walter Klein, Mrs. Nadine Frith, Mrs. Imogene Patton and William H. Lanier. Also appointed was the nominating committee to select new officers. Those serving will be Mrs. Jerry Short, Mrs. Florence Grizzard, Mrs. Alma Cadand and William Kincaid.

A band concert was given by the school band after the business meeting under the direction of Miss Elsie Mayleth. Refreshments were served to approximately 75 members.

Sorority Gives To Heart Fund

Mrs. Leland Brackett, 2301 Gary avenue, was hostess to Theta Iota Chapter of Beta Sigma Phi sorority last night conducting the business discussion.

A contribution to the Heart Fund was made, and Mrs. Harvey Edling reported on the delivery of a Valentine basket to a needy Granite City family. Plans were made for a meeting of the chapter and guests at the Officers Club at the Engineer Depot Friday evening.

Mrs. James Shone and Miss Alice Holshouser gave the cultural program on "The American Educational System as Compared to That of the Soviet Union." Papers were presented on the defense of the two systems and a debate among the members followed.

One member, Mrs. Donald Shone, was given a cradle shaver and gifts were presented. The hostess served refreshments from a candlelit table centered with an arrangement of yellow tulips and white poinsettias to those mentioned and to Mesdames Brandt Tibbitts, Delores Dertch, and Marie Harper, Misses Alice Vig, Marcella Fabisher, Alice Holshouser and Ruth Stoyanoff.

The next meeting will be held at the Edling home, 3305 Franklin avenue.

55th Anniversary For Steve Patricks

Mr. and Mrs. Steve Patrick, 1728 Spruce street, celebrated the 55th anniversary of their marriage Tuesday at a quiet family party and dinner at the home of a son-in-law and daughter, Mr. and Mrs. Joe Margulen, 2715 Grand avenue.

Mr. Patrick, 78, and his wife, 74, have resided here for the past 54 years. Before retiring he was employed by the Union Star and Refining Co.

The couple has three other children, Mrs. John Danco of this city, Alex Patrick of Jennings, Mo., and Mrs. Mary Rexler of Wood River, four grandchildren and three great-grandchildren.

CLASS HOLDS MONTHLY MEETING

The Bible Learners Class of this city, Alex Patrick of Jennings, Mo., and Mrs. Mary Rexler of Wood River, four grandchildren and three great-grandchildren.

Deviations were given by the teacher, Mrs. Paul Welsh, on "Prayer." Games were played and prizes were awarded to Diane Tankley, Patty Frazier, and Yvonne Schilling.

Refreshments were served to six members of the group.

Sorority Holds 'Rush' Party

Epsilon Eta Chapter of Epsilon Sigma Alpha sorority held the first rush party of the season last night in the home of Mrs. Harriet Humphreys, 2515 Washington avenue, with Miss Diana Tarras, vice-president in charge.

The rushers are Miss Linda Winters, Miss Janice Steinhausen and Mrs. Roberta Arbiter.

Games were played and prizes were awarded. Mrs. Janice Biele was winner of the special prize.

A circus theme was carried out in the favors, games and refreshments and a charter member, Miss Carol Ann Davis, who will leave soon to begin training as an airline stewardess, was surprised with a going-away gift, a traveling alarm clock.

Final plans were made for a parade and Heart Fund drive on Sunday. Seventeen were in attendance at last night's meeting.

MARY MARTHA CLASS HOLDS MEETING

The Mary Martha Class of Grace Baptist Church held a monthly meeting Tuesday evening at the church.

The meeting opened with a song, and prayer by Mrs. Marie Montgomery. Mrs. Alma D. Watts and Mrs. Fairy Montgomery, teacher of the group, spoke on the topic "Broken Hearted."

Thirteen were present at the meeting, including three guests, Mrs. Betty Miller, Mrs. Grace Watts and Mrs. Fairy Montgomery.

MR. AND MRS. WILLIAM GILLIHAN, who were married Friday by Justice of the Peace Phil Winkler. The bride is the former Mrs. Marfesa Thorp of 1608 Third street, Madison.

Mrs. Cruse Is Hostess For Class

The Homemakers class of Calvary Baptist Church met Tuesday evening in the home of Mrs. Juanita Cruse, 2325 St. Bernard avenue.

Following the opening hymn, there was prayer by Mrs. Ida Killmer, and the devotional service led by Mrs. Audrey Brady.

Nine members responded to roll call, and after the meeting there were games with prizes going to Mrs. Arthur Ranken, a guest, and Mrs. Lois Bradford.

Refreshments were served to those mentioned and Mrs. Stella Rushing, Mrs. Margaret Michael, Mrs. Mary Harris, Mrs. Edith Harris and Mrs. Margaret Lowe.

The next meeting will be with Mrs. Edith Harris, 2821 Edwards street.

Good Shepherd Church Will Observe Anniversary

A special afternoon service celebrating the first anniversary of the dedication of Good Shepherd Evangelical United Brethren Church in Glenview will be held at 2:30 p.m. Sunday. A program of special music, a brief historical statement and a guest speaker has been planned.

The speaker is to be Rev. William F. Ping, pastor of the South Shores EUB Church in Decatur, Ill., which is itself a mission church two years older than the local church. The speaker's theme will be "The Church's Task in a New Community."

An open house will be held in the church basement following the 2:30 service, and refreshments will be served.

Ann Martin and children, Cheryl Ann and David, Mr. and Mrs. Howard Thebeau Jr. and children, Danny, Tina, Alicia and Andrea, Mr. and Mrs. Walter Slaby, Leo Morris, Miss Leatrice Thebeau and Mrs. Howard Thebeau sr. The honoree was the recipient of many gifts.

HOSPITAL PATIENT

George Oliver, ten-year-old son of Mrs. Nina Oliver, is a patient this week in the St. Louis Children's Hospital, undergoing treatment and tests. He sustained a head injury at Marshall school last week.

"World Thinking Day" was observed Tuesday by Brownie Troop 12 of the Wilson school PTA. A short play was presented by Valerie Bone, Barbara Azari, Linda Singer, Elizabeth Sertleimor and Margaret Sturdevant, directed by Mrs. Mary Sturdevant.

Songs were enjoyed by the above and Patricia Ahrens, Mildred Lovings, Jean Duffield, Linda Wilkins, Patricia Patrick, Sherry Jackson, Rose Jemmer and Ruth Gohels. The brownies were presented with world pins by Mrs. Sturdevant and Mrs. Betty Wilkins.

Special guests were Miss Betty Noller, Mrs. Denise Schmitz, troop consultants, Mrs. Singer, Mrs. Azari, Mrs. Jackson, Mrs. Ahrens and a group of children.

A committee meeting for Cub Pack 122 of the Wilson school PTA was held Monday at the school. Final plans for the "blue and gold" banquet on Monday were made, and coming activities were discussed by Mrs. Ruth Cook, Mrs. Beverly Singleton, Mrs. Eleanor Cassy, Cubmaster Jack Nelson, Committee Chairman Gene Buzan, Institutional Representative Leo Kalpis, Clarence Windsor, Ray Duke and Ken Turner.

Den One of Cub Pack 122 of the Wilson school PTA met Tuesday in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue. A visit by the cubmaster, Jack Nelson, was enjoyed and final plans were made for the "blue and gold" banquet. Mrs. Mayes served refreshments to Bruce Jones, Steve and Larry Harris, Keith Rodgers, Eddie Duke, Mike Mayes and Den Chief Larry Wright.

Den Two of Cub Pack 17 of the Marshall school PTA enjoyed a chili supper Monday in the home of the den mother, Mrs. Rose Stuber, 2716 Myrtle avenue. Present were Mike Stuber, Roger Love, Allan Clem, Lloyd King, Dwane Porter, Tommy Hasty, Den Chief Philip Cruise and a guest, Eric Stuber. Games were enjoyed by the boys following supper.

Mr. and Mrs. D. W. Ahrens and children, Patricia, Michael, Nancy and Debra, 2838 Edgewood avenue, opened the wedding in Sikeston, Mo., visiting Mr. and Mrs. Virgil Pixley. Nancy remained with the Pixleys for a short visit.

Mrs. Virginia Babarator, 2401 Wilson avenue, is a patient at St. Elizabeth Hospital undergoing treatment this week.

Girl Frightened By Man Peering In Window

Police were summoned about 1:50 a.m. Wednesday to a home in the 2100 block of State street where a small girl reported she was frightened by a man who had appeared at her bedroom window.

The area was searched, but the prowler was not located.

Discipline, Scholastic Endeavor Urged By DeMolay Speaker Ashford

Members of the Granite City chapter, Order of DeMolay, and their fathers, some 200 strong, heard Football Coach Volney Ashford stress the importance of self-discipline in sports and other fields of endeavor in an address during the local chapter's 40th anniversary celebration.

Ashford, one of "winning" small college coaches since he took over the reins at Missouri Valley College in Marshall, Mo., told his audience that youth must have the desire to rise above the average, develop proper parental respect and place athletic achievement in its proper perspective if it is to succeed at the college level.

Citing the prediction that colleges soon will admit only those students who are in the upper half of their high school graduating classes, he said there is no room in college athletics for the student who cannot keep up academically.

Ashford was introduced by Alton high school Coach Coach William Perrin, who earned football and track letters under the tutelage of Ashford at Missouri Valley.

Attorney Randall Robertson presided at the dinner meeting, and the invocation was given by Rev. James Craddock, pastor of Central Christian Church. Dinner was prepared and served by the DeMolay Mothers' Circle.

Dinner music was provided by Jack Johnson at the organ, and community singing was led by Robert Spengler, with Everett Steele accompanying. Master Councillor Robert Maxwell extended an official welcome to special guests, and also led the pledge of allegiance to the flag.

Anniversary Gift

A 40th anniversary gift, consisting of a new set of officers' jewels, was presented to the chapter by Mrs. Bliss Sentif, president of the Mothers' Circle.

Special guests included G. Wilbur Bell of Chanderiville, Ill., Masonic International Supreme Council representative for Southern Illinois; and Alvin L. Crump, Eminent Grand Captain General of the Knights Templar of Illinois.

Guests honored included Ed Jettmeyer and Ella Peters of Alton and George Malotki of Granite City, long connected in advisory capacities with DeMolay orders.

The two living signers of the original DeMolay charter, Hardin Jackson and Fred Hall, were presented with advisor medals and "hats off" awards. Charter members present included Erby Todd, E. E. Veih Jr., William Mehl, Otto Hoelscher and George Reichold. Mehl reported on chapter activities during its first year of organization in 1921-22.

Port Development Here Has Head Start On Others

Development of the Tri-City Port Authority harbor and warehousing facilities has a big head start on most other communities in the county, it was pointed out Tuesday by Granite City Rotary Club members by John L. Barron, port district manager.

Barron, who was guest speaker at the Rotary luncheon meeting in the YMCA, stressed that the local area's advantage is its geographical location, which he described as "a natural." He added that the area is years ahead of what otherwise would have to be done because the federal government has provided a large harbor site, canal and locks.

"Progress is satisfactory toward the development of the multi-million dollar harbor site," Barron added. "We've been beset by many engineering problems, but then a lot of other problems have been solved, and right now everything looks good."

Competent Labor In Area
Barron, a retired Coast Guard commander, said the local port authority is not "peddling" cheap labor in its bid for new industries and facilities, but is stressing the availability of competent, well-trained and adequate labor with a comfortable standard of living.

Nor is the authority interested in "giveaways," such as some other states are in offering tax concessions, plants and even cash.

He said some officials in several southern states along the river have told him they are in a race of giveaways, and he cited one example of a community where such a program was conducted which is losing some of its older, tax-paying industries.

It was found that to adequately serve the tax-free, newer industries, it was necessary to increase taxes on properties of the older industries and also the workers.

Better Atmosphere Here
Here, Barron emphasized, every proposal being considered by the Regional Port Authority will stand well on its own legs and in that way will be of long-term benefit to the community, rather than of temporary benefit as quite often happens in connection with "giveaways."

"The bigger companies that we're dealing with don't want special gifts. They seek community cooperation, but feel they should come in on their own financing."

Also introduced during the meeting was Carl A. Rantzi, chairman of the Tri-City Region of Port Authority board. A. C. Stoeber was program chairman. Two new members were initiated by Rev. David Maxton. They were Stanley Bell of the Jenson-Wright Corp. and Eugene Allessi, art director at Granite City high school.

Mrs. Edna Dickey, 67, Former Resident, Dies

Mrs. Edna D. Dickey, 67, Pocahtontas, Ill., died at 7 p.m. Tuesday at St. Elizabeth Hospital, where she had been a patient for 10 hours. She had been ill five years.

A native of Kentucky, she lived in Granite City for 50 years prior to moving to Pocahtontas in 1957.

She was a member of the Dewey Avenue Methodist Church here.

Surviving are her husband, Vessie; a daughter, Mrs. Floyd (Dora) Mercer, Edwardsville; a brother, William Donahue, Granite City; one grandchild and two great-grandchildren.

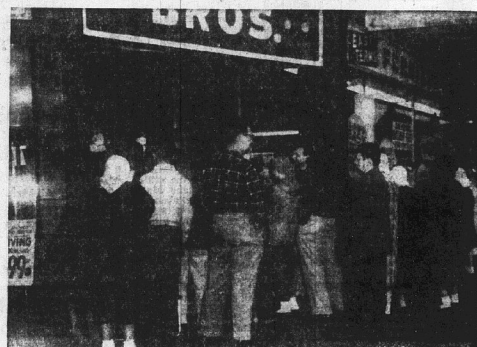

Funeral arrangements are given in the obituary column.

Mentally Retarded Group Will Meet

J. E. Van Dyke, executive director of the St. Louis Association For Aid To Retarded Children, will be guest speaker at a monthly meeting of the local Association Monday, Feb. 27 at 7:30 p.m. at St. John United Church of Christ on Nameoki road. A film on activities of the St. Louis association will be shown in connection with the talk.

William Coyle is president of the Granite City Association for Mentally Retarded.

Junior Service Plans 'Probie' Party, Election

The Granite City Junior Service club held a regular meeting Monday evening at St. John United Church of Christ, where Mrs. Jean Ann Vrenick, president, conducting the meeting.

Mrs. Marabeth McConnell reported on results of eye examinations recently given to two school children. Announcement also was made of five members who have donated their time to become "pink ladies" at St. Elizabeth Hospital. They are Miss Margie Greenommer, Miss Helen Parsaghan, Miss Mary Seibert, Mrs. Nadine Pfiffel and Mrs. Vrenick.

Mrs. McConnell said puppets made by the group have been delivered to the pediatric ward at the hospital and will be used by the young patients there to amuse themselves.

A nominating committee was appointed, with Mrs. Ruth Knecht named as chairman. Election of officers will be held at the March meeting. On Feb. 27, a "probie" party will be held at the home of Mrs. Charlotte Rapp, 25 Terrace lane.

Mrs. Vrenick announced that the March 13 board meeting will be held in the home of Mrs. Knecht in Collinsville.

Philathea Class Program On Theme Of Spring

The February meeting of the Maude M. Tolleson Philathea Class of Niederrhein Memorial Methodist Church was held Tuesday evening in the church education building.

Mrs. Winifred Reimers, president, opened the meeting and devotionals were led by Mrs. Helen Muelder. The topic was "Trust and Assurance." In connection with the service there was a hymn and prayer.

A trio composed of Mrs. Ann Mathis, Miss Anna Frohardt and Miss Ella Ray Smith sang two songs, "America The Beautiful" and "Hymns of Nations," accompanied by Mrs. Edith Schell. Miss Mabel Stewart presented the lesson on "Spring" and read several poems pertaining to that season and to the birthdays of Lincoln and Washington, and Mrs. Pearl Campbell gave highlights of the class history.

After the closing prayer by Mrs. Pearl Kean refreshments were served from tables decorated with red, white and blue and hatched favors. Mrs. Ruth Johnston gave the invocation.

Thirty-one were present, including a guest, Mrs. E. L. Miller. The hostess committee was composed of Miss Genevieve Waller, Mrs. Lottie Howerton, Miss Emma Schoen, Mrs. Marie Smith, Mrs. Mary Hiller and Mrs. Clara Widdow.

ATTENDS RETREAT IN WISCONSIN
David Painter, a son of Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, Venice, has resumed his studies at Eastern Illinois University in Charleston after attending the annual winter retreat of Gamma Delta fraternity at Lake Geneva, Wis.

A sophomore at the university, Painter is serving as publicity chairman of Triota Region of Gamma Delta. He is a past president of Gamma Delta Alpha Mu at Eastern.

After prayers by Mrs. Wilma Frank and Mrs. Lawler, the meeting adjourned and refreshments were served by a committee composed of Mrs. Marie Baker and Miss Candler to those mentioned and Mrs. Bodo Mehling, wife of the pastor, and Mrs. Marion Shelton.

The next meeting will take place March 14 with Mrs. Shelton and Mrs. Hilman as hostesses.

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

In the House of Representatives, a move is underway to establish something new called the Committee for Government Economy.

In theory, no such committee should be necessary. All committees should study their areas of responsibility and in a very real sense each committee should be a "Committee for Government Economy."

But the practical situation is that each committee tends to have so many problems, so many bills to consider, that the overall problem of government economy does not receive the attention it deserves.

The author of the proposal is Rep. Warren Wood, a Republican of Plainfield. He is being supported in this move by some legislators in both parties. While I have not had an opportunity to discuss this with the Governor, my guess is that Governor Kerner is in sympathy with the idea.

It falls into line with other statements he has made. This committee would work differently than other committees.

Most committees spend their entire time considering measures that have been proposed by legislators. The Committee for Government Economy would not get primarily in this way. The Speaker of the House could refer bills to that committee, as he does to others, but the two main functions of this group would be:

1. To sift through ideas from the public and state employees which would save money for the state. When a good idea is found, the committee could then introduce a bill to try to accomplish this.

2. The Committee for Government Economy could go out on its own to look into possible ways to save money and then

100th Anniversary For Steel Castings Firms

Two local industries, General Steel Castings Corp. and American Steel Foundries, will join with more than 135 other U. S. and Canadian firms in observance of the steel castings industry's 100th anniversary during 1961.

The industry today has a capacity of 2 1/2-million tons and employs more than 50,000 persons. Steel castings, it was pointed out, are used in practically every field requiring strong parts or intricate design, including automobiles, airplanes, shipbuilding, earthmoving equipment, electric power plant and nuclear energy industries, tank armor and missiles.

Eada Bridge, completed in 1874, employed a cast steel alloy for the first time as a structural member in the form of tubular ribs in the three 500-foot arches. The process of casting steel to final shape became known in 1845 when a Swiss metallurgist, Johann Conrad Fischer, exhibited small steel castings and applied for a patent to cover a new way to make horseshoes. The first castings produced in this country were at Buffalo, N. Y., in 1861.

Three sets of twins were born at St. Elizabeth Hospital this week in less than 36 hours. Mr. and Mrs. Bracy Harrison, 6034 Clair avenue, are parents of some of the first to arrive Monday. Daughters were born to Mr. and Mrs. Raymond Leach, 2013 Willow avenue, Tuesday, and later the same day Mr. and Mrs. Aubon Walker, 2111a Benton street, became the parents of boys.

Harrison has been employed at Laclede Steel Co. but at present is laid off. Leach is an employee of the A. O. Smith Corp., and Walker is employed by the Union Star & Refining Company.

Others with decreases are Marine, \$74,080; Leet, \$7650; New Douglas, \$6935; and Olive, \$5330.

Services for John R. French, 53, of Glen Carbon road, father of George E. French, Granite City, were held at 2 p.m. today at the Assembly of God Church, Glen Carbon. Burial was at Glen Carbon Cemetery.

French, employed at Owens-Illinois Glass Co., Alton, died at 1 a.m. Tuesday at Barnes Hospital, St. Louis, where he had been a patient for one week.

GC Man Sentenced On Indecent Liberties Count

Probation sought by a Granite City man was denied Tuesday by Circuit Judge Joseph J. Barr, who sentenced Delbert D. Oden, 38, of 2837 Morgan street, to a term of one-to-three years in a state penitentiary on a charge of indecent liberties. The probation hearing was conducted at Edwardsville. Oden was arrested last Oct. 1 by local police on the charge involving two girls, 12 and 14 years of age.

Prospects Good For Speed, Economy On Pollution Treatment, Drainage

Several items of good news were brought back from federal officials in Chicago by members of the Citizens' Sewer and Drainage Committee and city officials.

Part of Granite City's \$120,000 drainage study grant can be used for a pollution survey, assuring the financing of this needed work. The ruling makes possible an immediate start, speeding the completion. And it was made known that most major industries will not use the proposed drainage system, reducing the cost of both drainage facilities and pollution treatment.

With the industries making plans to handle their individual pollution problems, the result for Granite City can be economy as it moves to comply with the laws requiring abatement of river pollution and separation of stormwater and sanitary drainage lines.

Commendable Action In Venice On Deadly Weapons

Venice police merit commendation for confiscating weapons found during midnight visits to taverns and other public places last weekend. While it is unfortunate that such steps are necessary to curb the carrying of deadly weapons, there have been too many violent crimes recently to allow the practice to continue.

Comments here on the topic have not been restricted to a particular city, but Venice authorities recognized the need for action after a series of shootings and knifing incidents. They recalled that in a previous killing, the individual had displayed a gun publicly for more than an hour before his victim returned, an interval in which police could have averted loss of life if they had been contacted.

We do not advocate harassment of business places and their patrons, but neither do we feel there should be "frontier justice" in this modern day and age. When a citizen has been injured, some form of action is necessary and this has now been taken.

State Must Not Lose Sight Of Publicized Bond Projects

Aside from the merits of a proposed mental hospital in Centralia, which may result in diversion of some of the state's bond funds, the fact that in November, it seems clear that state officials and legislators must carry out the projects publicized in the bond campaign, and with substantially the same expenditures listed. They must do this or the public will lose faith in future bond elections. To include projects not originally listed in the \$150,000,000 program reduces the funds available, jeopardizing such improvements as the \$80,000,000 addition scheduled for the state hospital in Madison county.

Nearly everybody thinks of sin in terms of what other people are doing.

New University Here Destined To Be An Educational Pioneer

A \$50,000 grant from the Ford Foundation will make possible an intensive study of the unusual aspects of a "commuter" university, the new campus to be built immediately east of the Quad-Cities. The school is expected to have a high percentage of students living in the general vicinity and driving to classes from their homes.

In informing Southern Illinois University of the grant, Harold B. Gores, president of the Ford Foundation's Educational Facilities Laboratories, expressed confidence that a "distinguished institution" will be created and that in the process the university staff "will provide to higher education generally the new knowledge about new kinds of institutions that the field so much needs."

The comment bears out the view that the new four-year state university here may be able to pioneer new standards of excellence and achievement. Its initial selection of staff members indicates a desire for high standards, and in his request for the grant President D. W. Morris noted the realization that new techniques will be needed for new conditions, possibly including transportable satellite classroom facilities around a central core for maximum flexibility.

Hard work still represents the main essential ingredient of success in life.

Fans Wish Wrestlers Well In State Meet This Week

Granite City high school wrestling teams have been the class of this area for many years, consistently defeating Missouri state champions as well as competition in this part of Illinois. But northern schools with massive emphasis on the sport have been tough, and the highest CCHS has placed in the state meet was in 1957, when it was second.

Several Warriors have captured state mat championships in the past as individuals, and the number could grow this weekend when seven sectional champions represent the local school at Champaign. Not only that, this unusual number of sectional titlists—winners and runners-up both—advances to state—speaks well for prospects of the team itself.

Fans will wish the wrestlers good fortune in the state bouts this weekend. While winning is not as important in school athletics as development of character and physique, it would be interesting to be able to add a state wrestling title to the school's present state basketball and baseball championships.

Many Trailers As Permanent Homes Pose Problem In State

Because only 3% of the house trailers registered in Illinois are used for regular travel, state, county and local authorities are faced with the responsibility for requiring adherence to drainage, land use and other regulations.

With 60,000 to 80,000 people residing in trailers in this state, including an estimated 2000 in Madison county, many trailer parks have been established and some mobile homes have been installed as permanent dwellings on individual lots.

Many of the trailers may be utilized on vacations or weekend trips, but state records indicate that most are apparently used as permanent dwellings for dwellings. Some have modern design and are comparatively inexpensive; however, their room size generally is less than the minimum standard for rooms in homes.

The large number of trailer homes being sold and used represents a challenge to public officials and planning groups, as has just been pointed out by state authorities. For the benefit of both the trailer occupants and the general public, the topic is worthy of study and possibly further action than has yet been taken.

Granite City PRESS-RECORD Thomas Dodds Selects Name For Daughter

Loretta Ann is the name selected by Mr. and Mrs. Thomas E. Dodds, Rural Route One, Edwardsville, for their eight-month-old daughter born Feb. 12 at St. Elizabeth Hospital here. The couple also has a son, 27-month-old Steven Edward Dodds, a former local resident who is employed at Granite City Steel Co.

The officers said the persons said they would either remove the door or junk the refrigerator. The city has a law prohibiting the storage of refrigerators with doors in a place accessible to youngsters.

There was a recent case in Venice where a child died after being accidentally shut in a discarded refrigerator.

Son Born To Mr. And Mrs. Martin Schrader

Mr. and Mrs. Martin J. Schrader, 2431 Hemlock avenue, are announcing the birth of their first child, a son, Tuesday at St. Louis. The new arrival weighed eight pounds, nine ounces and has been named Harold Jay Schrader.

Mrs. Schrader is the former Joyce Ann Deatherage, a daughter of Mr. and Mrs. Harry Deatherage, 5120 Maryland road. The father is employed as a mathematician in the advanced design department, McDonnell Aircraft Co., St. Louis.

Madison Schools Adopt Revised Rental Policy

A revised building rental policy, drawn up by Supt. of Schools Wensel Brown on the recommendation of board members, was adopted by the Madison board of education during a regular meeting Tuesday night.

The policy establishes definite rental fees for all school buildings within the district for both non-profit and profit-making organizations which wish to make use of them during non-school hours.

The policy, which became a part of the board minutes Tuesday, states that "individual school PTA's and Mothers' Clubs as well as other acceptable school organizations are welcome in the schools with no rental charges."

Such organizations will be asked to schedule their meetings with building supervisors. Arrangements for rental of school facilities will be made by the building supervisors and contracts will be signed and rental fees paid in advance under the new policy.

The fees vary according to the building and usage, but generally range from \$3 to \$20.

Charges in addition to the rental fee include the providing of special equipment for meetings by the school district, regular wages for school custodians and cooks if their services are required, added costs for Saturday or Sunday rental and for use of the Harris polling place for the trustee election, which also will be held on April 8.

Non-Profit Rates Lower For profit-making organizations are higher than rental fees for non-profit groups.

The policy stipulates that the Madison high school gymnasium is not to be used for non-school functions, and that the Blair and Harris school gyms are not to be used for basketball outside of school basketball.

General rental will be a general rental policy heading, and the board will designate a meeting place for non-profit community gatherings at the school organizations which wish to use the buildings for fundraising which profits these organizations.

Annual Election April 8 The school board called its annual election for four members on Saturday, April 8, with yesterday listed as the first filing date and Saturday, March 18, as the final filing date.

The three-year terms of Board President John Bellefleur, Secretary Henry Baum and Member Chester McManaway expire. A fourth member will be elected to fill the remaining one year of a three-year term of the late Elmer Kelly. Frank Denner, currently holding the position by appointment, will be elected to the board.

The board established the Harris school as a polling place for school precinct No. 1, for all residents east of the Terminal Road Association tracks, and a Blair school in Precinct No. 2 for all residents west of the said tracks. The polls are to be open from noon to 7 p.m. on election day.

The board called for bids and estimates of the cost of textbooks, supplies and equipment needed for the 1961-62 school year, and authorized the superintendent to make selections on the basis of quality and price.

Special Meeting Likely Supt. Brown said he probably will seek a special meeting of the board before it convenes on March 20 for the purpose of planning the summer building program within the district.

A revision of value figures for Madison school district buildings and their contents was submitted by the superintendent.

County Board Postpones Action On Detention Home

County board members decided Tuesday to wait until the March meeting before accepting the recommendation of the County Detention Home committee to call for construction bids for the proposed \$200,000 shelter.

William B. Webb Jr., Granite City assistant supervisor and chairman of the Detention Home committee, said the proposal is being discussed further with members of the county board's New Building and Finance committee in a meeting at Edwardsville next Monday.

He explained the county board of supervisors had budgeted \$114,000 for construction of the detention home with the income to be derived from 60% of the county half-cent sales tax revenue. The board agreed prior to the start of Tuesday's meeting at the court house to postpone any action on a call for bids until the March session to give the New Building and Finance committee additional time to study the Detention Home committee's proposal.

However, the board authorized partial payment of \$200,000 Samuel Sanner of Alton, architect who designed the building, and approved a \$205 contract with Wabash Drilling Co., St. Louis, for test borings at the site on the Madison County Tuberculosis Sanatorium grounds.

Webb said there presently is a reserve of about \$87,000 in the county sales tax fund earmarked for the detention home. That was as of November and there should be another \$15,000 added for December and January.

\$55,322 MFT For County Madison county was allotted \$55,322 as its share of motor fuel tax paid into the state treasury during January. It was announced this week at Springfield by the Illinois department of finance.

Seek Commercial Zoning At Nameoki And Clark

Referred to the City Plan Commission by Granite City council members Monday night was a petition for rezoning two lots at the southeast corner of Nameoki road and Clark avenue from R-1 residential to C-2 commercial.

The petitioners, Mr. and Mrs. Calvin M. Marcum, and Mrs. Ronald E. Pike and Mr. and Mrs. Verlin Wadlow, pointed out a laundrette is presently on the location and plans are to expand the facilities for a self-service laundry and provide an area for parking.

They noted in the petition that the area is commercial with a service station in the same block, a used car lot across Clark avenue and a drive-in restaurant, a super market and service station across Nameoki road.

Parking Ticket

Herman R. Peters, 24, of 209 Paradise lane, was issued an arrest ticket Monday night by Granite City police on a charge of parking to congest traffic at Pershing avenue and Nameoki road. He posted his driver's license as bond.

Industrial Growth Committee Organizes

Appointment of three subcommittees to undertake preliminary studies leading to the establishment of a permanent, long-range program was authorized Tuesday night at the organizational meeting of the Industrial Development Committee of the Tri-Cities Chamber of Commerce.

The subcommittees will address themselves to the collection of basic data on this area that is of interest to new and existing industry, to the feasibility of a land program suitable for industrial sites, and to continued improvement in the industrial climate here.

C. R. Townsend, chairman of the Industrial Development Committee, said the subcommittee appointments would be made later this week. Outlines of their proposals are to be completed by March 30.

Members of the committee are S. E. Pershall Jr., John McBride, E. G. Schmitt, Carl Lomax, Harold Fisher, W. P. Hoelscher, George Hohlitzelle, Lytle F. Guley, H. H. Lyon, G. W. Hoelisch, H. D. Karandjef, Carl Ranft, Freeman Wolfe and Paul Liechtenberg.

Faulty Wiring Causes Smoke

Granite City firemen were called to the home of Lloyd Coad, 2124 Benton street at 1:05 p.m. yesterday to check smoke caused by a short in the electrical wiring. No loss was reported, firemen said.

Mrs. Bertha Brickey, 61, Dies of Cancer

Mrs. Bertha Brickey, 61, of 2918 Nameoki road died at 4:30 p.m. yesterday at Faith Hospital, St. Louis, of cancer.

She had been a patient at the hospital for one day and had been ill for 18 months.

Born in St. Louis, she formerly operated Brickey's Gift Shop on Nameoki road, and had been a Granite City resident for 34 years. Her husband, Hoyte "Jack" Brickey, died in 1952.

Surviving are a sister, Mrs. Ernest (Dolly) Banacha, St. Louis, and two brothers, George, Granite City and Alfred Shinner, of St. Louis.

Funeral arrangements are given in the obituary column.

2 City Filing Periods To End

With only one contest developing so far, filing for the Madison and Venice city elections will come to an end Monday.

Deadline for submitting petitions will be 4 p.m. Monday at the Venice city controller's office and 4:30 p.m. Monday at the Madison city controller's office.

Only candidates filing for nine Madison city offices are those on the Improvement Party ticket headed by Mayor Stephen Macraas, although several potential aldermanic candidates have obtained petitions.

In Venice, the Civic Improve-

Venice Development Group To Be Organized

An organization meeting for a Venice civic development group will be held at 2 p.m. Sunday at the Venice high school student lounge.

Representatives designated by 15 Venice organizations will meet to discuss formation and naming of a committee to sponsor various community improvement projects.

ment Party headed by Mayor John E. Lee is seeking eight offices. In addition, Eddie Mason, an independent, is running in the Third Ward against Louis Rattiff, a member of the administration ticket.

Sealed Bid Sale Of Surplus Timber

Ash and cottonwood timber will be the property concerned when the Granite City Consolidated Surplus Sales office conducts a sealed bid sale at the Granite City Engineer Depot on March 20, beginning at 10 a.m. The timber is located at Scott Air Force Base and may be inspected between 9 a.m. and 4 p.m. daily by contacting the property disposal agent at the location of the property.

Driver In Crash With City Car Faces 2 Charges

Charges of failure to yield right-of-way and destruction of city property were placed against Samuel M. Kinsley, 33, of 1614 Grand avenue, who was involved in an accident Monday with a city-owned automobile on Edwardsville road at 14th street.

Police said Kinsley was traveling east on 14th street and making a left turn onto Edwardsville road, while the city auto was being operated south on Edwardsville road by City Inspector Jack Fricker, 62, of 1448 Spring avenue. No injuries were listed.

There was damage to the left front fender on the city auto and to the left rear fender on Kinsley's auto.

City Adds 9.4 Acres In Nameoki Area

Granite City grew another 9,404 acres Monday night.

Approved by the city council and numerous other items of business was a petition of annexation submitted by Henry Ross, contractor, for the first addition to Dream Villa subdivision.

The nine-acre tract with 34 lots is located south and east of the present Dream Villa development at Johnson road and Edgewood drive. The area is zoned R-2 residential.

Also approved by the council was a sanitary sewer rental schedule, similar to those adopted for other subdivisions.

Ross said he presently has 32 homes completed or under construction and that over a three-year period he expects the subdivision to contain 200 homes within the \$16,000 to \$25,000 price range. To be included are paved streets, sidewalks, sanitary sewers and storm water drainage. The contractor pointed out a 42-inch trunk line for storm water drainage runs through the subdivision.

Sewer Repairs To Start

City Engineer Al Pearce reported that work of cleaning and repairing the 20th street sewer line was being coordinated by a starting date has not been set. Contracts for the work were awarded during the past two weeks.

An ordinance was adopted granting permission to Granite City Street Co. to install a coke oven gas line starting at 20th and Nash streets, running along the south side of 20th street to Madison avenue and south along the east side of Madison avenue.

Bags Being Filled For 'Good Turn' By Scouts

The local "good turn" for Boy Scout Month is in progress, with families placing discarded clothing, shoes, appliances and other small repairable items in Goodwill Industries bags this week to be collected Saturday by scouts.

The scouts will take them to their unit meeting places, or other points designated in advance, for placement in trucks the same day. The contributed goods will provide training, wages and rehabilitation for over 400 crippled and disabled persons who work at Goodwill Industries.

As part of the project, boys of Cub Pack 96 of the Maryville PTA have recorded messages to be assigned also to operate the new lights being installed at the 20th and Benton streets crossing at Emerson school.

State Oks School Traffic Lights At 29th And Madison

Bids are to be sought for installation of electric school crossing signal lights at 29th street and Madison avenue.

State highway department approval of a \$500 allocation for motor fuel tax funds was received by the Granite City school board.

Alderman Samuel Whitner pointed out an individual is to be assigned also to operate the new lights being installed at the 20th and Benton streets crossing at Emerson school.

No Draft Quota This Month; 5 In March

Six Quad-City area youths reported Monday to the county selective service office at Edwardsville for pre-induction physical examinations.

There were no draft quotas this month for the three selective service boards in the county. However, next month, quotas are for nine men to report for pre-draft physicals and five for armed forces induction on March 20.

From the county selective service headquarters, they go to St. Louis examining center for the physical or for assignment to training camps.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth transfer that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Turns along pavements like a happy tabby. Takes rough roads in stride and all roads in style. Just why does a Jet-smooth Chevy treat riders as royals as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis engineering, and a superb Body by Fisher insulated to bush away road sounds. All this adds up to less sway, less bounce, less dip, less drive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with convenience to pump up and roominess to relax in. Add a full measure of quiet good looks. Voilà, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

Dr. W. M. Byrlik Opens Dental Office In GC

Dr. W. M. Byrlik, of Belleville, a former Venice resident, opened a dental office at 1412 Twenty-first street this week.

Dr. Byrlik, who recently served as a dentist at Scott Air Force Base, is a 1957 graduate of the St. Louis University dental school and is a dental surgeon.

He had served two years in the air force and had practiced in San Antonio, Tex. for one year. He is a Venice high school graduate.

His wife, Sylvia, will be receptionist. He and his wife have no children. They are planning to move to Granite City soon.

Over 230 New Homes In GC School District During 1961

New homes totaling over 230 are expected to be occupied or built in the Granite City school district during 1961, a survey conducted by the school system has indicated. The information was obtained to guide administrators in their recommendations on how to cope with next September's enrollment.

The plan approved by the school board calls for a six-room addition to be built this spring and summer at Maryville school, with possibly two rooms at Wilson school; creation of two classrooms in the Prohard school dining room; and revision of school attendance zones, with fuller use of Central junior high and the Lake school and changes at other buildings.

Data compiled from real estate agencies, city hall records and by actual count of existing construction reveals 42 homes completed but not occupied at present. 94 under construction, five not started but issued building permits and 18 scheduled to be completed this year. Of the 181, 93 have not yet been started.

These 1961 figures compare with a 1959 tabulation showing 42 completed but not occupied, 331 under construction, 60 granted building permits and 230 scheduled to be completed.

Supt. Harold M. Kaiser has commented that "the number of new homes being built now is not as great as in previous years. This is probably a temporary situation, and building will increase again in the near future. However, this must be taken into consideration in predicting school enrollments."

He describes the current plans as "conservative," but

says "a few months of study for making additional recommendations will not seriously affect the school district."

Building In 11 of 14 Areas

A breakdown of the new home survey by grade school areas follows: Fobardt, 15 completed but not occupied, 27 under construction and 36 to be completed this year; Wilson, 10 completed; Niedringhaus, 10 completed, 10 under construction, five granted building permits and 20 to be finished; Nameoki, four being built and two to be completed this year; Maryville, six completed, 10 being built and 15 to be finished; Mitchell, one completed, 20 being constructed and 15 to be completed; Stallings, 12 being built and 43 to be finished (not yet started); Logan, two under construction; Lake, one being built and 50 to be finished (not yet started); Emerson, two under construction; and McKinley, one home being built.

Under construction, 94 homes are listed; 18 scheduled to be completed this year. Of the 181, 93 have not yet been started.

With present official capacity of 10,062 but an 11,200 enrollment, the school district has developed enrollment projections indicating 11,897 pupils by next fall, 12,813 in the 1962-63 school year and 13,504 in 1963-64.

At the elementary level, Supt. Kaiser lists capacity of 6,024, a current enrollment of 7,023 and projections of 7,382 in the fall, 7,777 the following year and 8,133 in 1963-64. He notes that 27 rooms classed as "makeshift" provide space for 750 pupils in addition to the federally recognized capacity.

Junior High statistics show a 2,235 capacity and a present enrollment of 2,599, with 2,774 in the fall, 2,902 in 1962-63 and 3,174 the following year. "Using all facilities to the maximum," he said, "the school system is in a position to handle the enrollment increase through the 12-year system. While drop-outs are a partial reason, it is believed that the main factor is a young and growing community with more young children than older pupils. Thus, total enrollment seems destined to rise as each new graduating class is replaced by a new kindergarten group."

Kindergarten is not mandatory, and the turnout generally is less than that of the first grade. However, its growth has paralleled that of the primary grades. A study covering the 1954-59 period shows a steady rise in kindergarten enrollment — 615, 820, 880, 944 and 980.

The school district expects 1144 kindergarten pupils in the fall of 1961, with 1201 a year later and 1258 in September 1963. Yearly increase has been averaging 57.

A major factor in school planning has been the enlarged size of classes now working upward through the 12-year system. 50 Farmers Attend Local NFO Meeting

The first area meeting of the National Farmers Organization was held Monday night at Mitchell school and was attended by over 50 farmers who heard a talk by Dallas L. Arrangements for the meeting were made by Erwin Wein, Wein introduced Madison county's newly-elected NFO chairman, Ray Iberg, of Highland, who opened the meeting and outlined the purposes of the new

He said the NFO was an organization of farmers, run by farmers, and all decisions regarding price and marketing procedures are to be approved by two-thirds of the members before a contract can be signed with a processor.

Iberg stressed, "Farmers have been marketing in the same manner since the dark ages and our auction type market system is out-of-date."

Purley said the objective of the organization is to group farmers' strength in order to bargain collectively with processors. "We believe the American farmer has a right to expect a fair profit over and above the cost of production for the commodities raised on his farm."

"We do not seek to usurp the functions of the processors of commodities," Chairman Iberg said county

Police Seek Further Information On Beating

Madison police hope to question Tony Deneff, retired contractor beaten severely at his home Feb. 15, after he leaves the McMillan Hospital, St. Louis, in an effort to obtain further information. He has been queried several times while hospitalized, but it is hoped to go over the case in greater detail when he is in an improved condition.

Deneff, 77, of 1049 Washington avenue, Madison, is being treated for a cerebral concussion, multiple lacerations to the face and head, an injury to the right eye, lacerations to the left hand and bruises to the chest and stomach. He is considered to be in serious condition.

Three young men beat and kicked Deneff and struck him with a blunt object after forcing their way into his home. Part of the beating was inflicted while there was a blanket over his head and he was gagged with part of the bed sheet. They tied him with strands of the sheet before leaving.

One of the trio was quoted as telling the others, "That's enough. Money in Deneff's clothing was not taken, and the motive for the beating remains a mystery."

GC Police Place 4th In Pistol Meet Tuesday

State troopers of District 13, DuQuoin, compiled one of the highest marks recorded in state competition in the Southern Illinois Policemen Pistol League meet Tuesday at the Granite City police department's range.

They racked up a total of 1107 out of a possible 1200 points for the four-man squad.

Troopers from District 11, French Village, grabbed second place, 1084. Pontiatville guards won third place and Granite City policemen and Jennings, Mo., policemen tied for fourth place.

The local team's point total was 1003. Frank Harris completed 268 points; Gerald Pinkerton, 254; Allen LeMaster, 247 and Joseph Nemeth, 236.

Nine teams were entered in competition. Members of each team were allowed 30 rounds of ammunition, with a possible score of 300. They fired at targets from a distance of 25 yards. A bulls-eye counted 10 points.

Of the 30 rounds, 10 were fired in slow order, 10 had to fire within 40 seconds and 10 more had to be touched off within 20 seconds. Pistols used were .38 calibre.

St. Joseph's Upsets Hearts, 1st Assembly Wins Easily

Mike Trosian's 10-foot jump shot with 28 seconds of a sudden-death overtime period elapsed gave St. Joseph's a 97-65 upset victory over regular season champion Sacred Heart Thursday night in the first round of the Church Basketball league playoffs at Coolidge junior high school.

Sacred Heart had rallied to tie the game at 63-61 when Paul Mosby hit a two-pointer near the end of regulation time. Both clubs scored four points during the overtime period.

In Thursday's other first round playoff contest First Assembly of God ripped St. Bartholomew's 83-63, earning the first place trophy in the league's final game Monday night on the Coolidge gym floor.

St. Joseph's earlier played the role of spoilers when it knocked First Assembly out of first place in regular season play with a 51-49 upset win.

High scorer for St. Joseph's Thursday night was Mercede Mendoza, who flipped in 30 points. Mosby led Sacred Heart with 24. Five First Assembly players hit in double figures, led by Jerry Wintgen with 24 and John Draper with 22, while Bill Barnes paced St. Bartholomew's with 21.

Venice Tops YMCA Team, 38-17, Essington Has 15

Twenty-one Venice grade school basketball players got in to a post-season contest Monday against a fifth-grade grade team from the YMCA.

The game, played on the Venice court, was won by the junior Venice, 38-17, Richard Essington flipped in 15 markers to lead the scoring. Jerry Cogins had 12. For the YMCA team, Jeff Jones and Bob James were leading scorers with six points apiece.

Meet On Area Police Plan To Surround Crime Scenes

Police from the Quad-Cities are expected to attend a meeting in St. Louis next week that may launch a new program of area-wide police cooperation designed for prompt capture of criminals attempting to flee from one district, city, county or state to another.

Originally planned for earlier this month, the meeting has been set for 2 p.m. Tuesday, Feb. 28, at the St. Louis Police Academy. Invitations have been issued by St. Louis Police Chief Curtis Brewster, who has suggested "implementation of a mutually-satisfactory quadrant system."

calling out of town?

Here's the fastest and easiest way

FIRST, give the operator the name of the city you are calling and the Area Code for that city.

NEXT, tell her the telephone number you're calling.

LAST, when the operator asks, give her the number you're calling from.

It's easy and fast. For example, just say, "Dallas, Area Code 214, RI 2-1432," and then when the operator asks your number, say, "KL 5-2368." You'll not only save time yourself, but help speed along your call as well.

MOTOR VEHICLE SAFETY AWARD is presented to Herbert Backs (left), superintendent of the Kate street station post office, by Granite City postmaster Theodore Overbeck. Award was for improvement of vehicle safety record compared with the previous year.

GC Post Office Earns Safe Driving Citation

A citation from the Chicago Regional Operations Director of Postal Services, A. C. Petersen, has been received by Granite City Postmaster Theodore Overbeck on behalf of postal vehicle drivers here who have completed a year of driving often under extremely hazardous conditions, with a minimum of accidents.

The citation has been posted at the Kate street station, main parcel post handling point in Granite City, after it was presented by Postmaster Overbeck to Herbert Backs, superintendent of the station.

The criteria used to judge recipients of the award was based on improvement compared to the previous year's safety record. Seven vehicles are operated by the Granite City post office department.

In making the award, Petersen said, "It is indeed commendable for an installation to be chosen among some 1500 postal installations in this region, consisting of the states of Illinois and Michigan."

Charter Issued To New Loan Firm In GC

A new corporation charter was issued recently to the Individual Loan Co., 2905 Madison avenue, for purposes of operating a financial institution here. It was announced this week by the secretary of state at Springfield.

The charter enables the new firm to "lend money and negotiate loans, to draw, accept, endorse, buy, sell and delivery promissory notes, and other consummate transactions."

Principal stockholders in the business are Joseph E. Gruber, Jr., Catherine B. Gruber and R. E. Robertson.

No plans are underway at present to select a site for the new firm or to set an opening date.

VONDEE CRUSE FOR ASSESSOR

On Saturday, the revival team will work with the youth of the local church in visiting other young people of the community. The same evening at 7:30 p.m. there will be a great youth rally and local young people will fill the choir. Another fellowship hour will follow. Sunday services will be held after the regular Sunday school and the regular schedule will be followed.

Toastmaster Weekly Award Won By Herman Greve

Herman Greve was named toastmaster of the week for his speech on "Width and Breadth" at the Granite City Toastmaster Club meeting Monday at the Officers' Club of the Granite City Engineer Depot.

Dr. Claude Hiles was toastmaster; Earl Lee, general evaluator; and Charles Youngs, best critic.

Two guests attended the meeting. One of them, Edward Withers delivered a talk during the meal, entitled "Juvenile Delinquency." Donald Adams was the guest guest. Twelve members were present.

Seek Prices On Vehicles, Sound System In Venice

Prices on motorized equipment which could be used for snow removal purposes are being obtained from three distributors and dealers in this area by the Venice school board. It was announced at a board meeting Monday night.

Brewer Motor Co. of Granite City, Sears-Roebuck and Willys Motors distributor in Creve Coeur, Mo., have been asked to submit prices on tractors or light trucks which could be used for snow removal in the Venice school district with the proper attachments, and might be used for other maintenance purposes during the school year when snow removal is not a problem.

Solons Reject Request For Taxicab Zone

A request by the Tri-City Trades & Labor Council for the city to remove two parking meters in the 1500 block of State street to provide a taxi zone for Checker Cab Co., was rejected Monday night by Granite City Council members following a lengthy discussion.

Alderman Charles Meyer said he had been asked by Edwin Reiske, president of the Trades Council, to submit the request which had been approved during a Trades Council meeting last week. Meyer pointed out that large zones are provided for buses on downtown streets and recommended the request be granted.

However, other aldermen agreed that the cab industry was chartered, the owner was told he would not be given a meterless space on State street, but that permission was given to park one taxi at a meter, provided the meter was paid.

It was pointed out another cab was parked at the intersection of State and Lincoln streets and has acquired a lot on which to park cabs. "If we give to one, we have to do the same for the other firm," Alderman Casmer Skishish pointed out.

Meyer replied that in making the request, the Trades Council officer said the members were instrumental in settling the taxicab strike of last year and that a zone was needed at the Checker Cab waiting room, 1920 State street, especially since cabs are set up in other communities.

Baptist College Youth Will Direct Revival

A youth revival team from Southwest Baptist College in Solvay, Mo., will direct a week-end revival at First Baptist Church, 21st street and Delmar avenue, this weekend.

The young people from the college will do the preaching, direct the music, provide special music, play the piano, bring devotions, help in visitation, and direct fellowship periods. Each one has been especially selected and trained for his job on the team.

The first service will be Friday at 7:30 p.m. Following the service there will be a fellowship hour when the team and the local people can get acquainted. There will be games and refreshments will be served.

On Saturday, the revival team will work with the youth of the local church in visiting other young people of the community. The same evening at 7:30 p.m. there will be a great youth rally and local young people will fill the choir. Another fellowship hour will follow. Granite City PRESS-RECORD

Thurs., Feb. 23, 1961 Page 29

Pier said the furnace at Lincoln school is not functioning properly at present and has necessitated calling of electricians several times since being back into operation after an early February breakdown, which resulted in the dismantling of school and some frozen water pipes.

Additional heating problems were posed at the Venice building when water seeped into fuel tank for the school's furnace during recent heavy snows.

Fuel oil company workmen pumped the water from the tanks, and an extension to the tank's filter pipe was added to raise it above the level of the snow.

The water seepage caused no major damage to the furnace, Pier said, and it was back in operation in a few hours.

DEALING IN FUTURES

Too many people are so busy planning things for tomorrow that they are too busy to worry today.

Already in Pier's hands are prices from the J. C. Gordon Co. and Stromberg-Carlson, both St. Louis sound engineering firms. The proposals differ widely, one calling for the installation of 16 sound speakers, and the other only six.

The board asked Pier to invite representatives of the two firms, together with a sound engineer from the third if a bid is forthcoming, to attend the next regular board meeting on March 13 to explain the systems proposed for installation.

A replacement for the system presently in use is being sought in an effort to improve sound reproduction, especially from the viewpoint of those attending Venice sound functions which involve use of the stage in the gymnasium for dramatic productions.

The board accepted an offer of \$270 from the Galloway-Van Gruening Co. of Granite City for plumbing repairs and improvements in restrooms at both the Venice and Lincoln schools. No other prices were sought.

Pier told board members that the Venice school system may be able to obtain bond instruments from government surplus stocks as a result of a meeting he had with school officials in Springfield Friday.

No instruments were obtained by the superintendent, but he was able to place the Venice schools on a priority list, and the schools will "get the first chance" at any bond instruments which may be among items on hand at two surplus warehouses to be cleared this spring, Pier said.

Heating Problems

Pier also informed the board members of continuing difficulties with heating plants in both the Venice and Lincoln schools.

The latest trouble developed Monday afternoon at the Lincoln school, he said, when bricks lining the furnace boiler there collapsed. Temporary repairs were made which will enable the boiler to be operated safely until permanent repairs can be made in warmer weather, he said.

Also at Lincoln school, a hot water heater breakdown this month was repaired at a cost of \$28. In his report to the board,

J. Ted Dinkgrave, 82, Former Resident, Dies

J. Ted Dinkgrave, 82, St. Petersburg, Fla., a former resident of Granite City, died Monday in St. Petersburg.

He was a veteran of the Spanish-American War. His wife, Jessie, died in June 1960.

His remains are being brought to a St. Louis funeral home. Funeral arrangements are given in the obituary column.

Federal Lunch, Milk Aid To Area Schools

Federal funds for school lunch and milk programs for December totals \$3499 and \$2096 in the Granite City school district.

Similar aid at parochial schools amounts to \$242 and \$239 at Sacred Heart, \$123 and \$86 at St. Elizabeth's and \$127 and \$46 at St. Mary's.

City's Bill List Total \$7062

Bills and allowances approved by the Granite City council Monday night totaled \$7062, of which \$1829 was for maintenance and fuel for city equipment.

Another of the larger items was \$878 paid for medical attention for city employees, including \$940 for hospitalization and medical care for William Frick, city street department grader operator who was hurt last December in a mishap while clearing snow drifts off Purling road.

Among bills on the list were payments of \$733 to Melvin Pashea for maintenance of the city dump during February, \$123 for round trip air transportation to Chicago for Mayor Davis, City Atty. William Beatty and Engineer Edward Juneau; \$25 for a trip to Chicago by Mayor Davis and Beatty; \$20 for a trip to Springfield by Mayor Davis to attend an Interstate Commerce Commission meeting and \$204 for maintenance of electric traffic signals during January.

Allowance for city allowances included \$30 to Emerald Daves, Rufus LeMaster, Casmer Slushish, Samuel Whitmer, Walter Nomm and Paul Rutledge and \$60 to Mrs. Gabrielle Bettine for two months.

Car expense allowances of \$50 were paid to Assistant Fire Chief Curtis Donley and Police Chief Raymond Willard.

Miss Graham On Bradley University Dean's List

Newly added to the dean's list at Bradley University with a point rating of 7.28 as a mathematics major is Miss Sheila Marjorie Graham, daughter of Mr. and Mrs. Kenneth Graham, 2017 Montclair avenue.

A second-semester freshman at the university, she has just been informed of placement on the honor roll. She also has accepted a bid to pledge the Pi Beta Phi social sorority.

Miss Graham was vice-president of the 1960 graduating class of Granite City high school and captain of the school's varsity cheerleaders. At Bradley, she is a member of the varsity cheerleading squad. She has done extra-curricular work in speech and has been invited to participate in National Forensic speech events.

University Students On Marketing Tour

John Harrison, 2203 Nevada avenue, is one of 30 members of the Illinois Marketing Club of the University of Illinois observing marketing operations of five Chicago business firms during the club's annual field trip, which began Tuesday and will end today.

The purpose of the trip is to acquaint students with company operations and to discuss marketing actions with business executives. Illinois Marketing Club, affiliated with American Marketing Association, was founded 20 years ago and has 120 members this school year.

Residents Complaining Of Damage To Plaster

Complaints that bus traffic is damaging homes along 27th street and along State street are to be studied by the Street and Alley committee of the Granite City council.

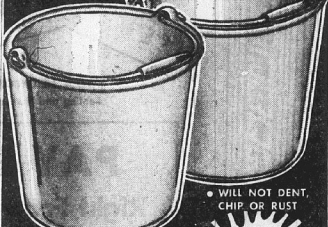

Alderman Charles Meyer said severe damage was reported to two homes on 27th street between Cleveland and Delmar avenue, where two sections of concrete pavement are broken, and Alderman Samuel Whitmer said he had received damage complaints from residents in the 2300 and 2500 blocks of State street.

Meyer asked the committee, headed by Whitmer, to study the need for repairing the section of 27th street, since plaster in the homes is being cracked. Whitmer said the same condition exists on State street, where plaster is reported to be cracking in a number of homes.

City Approves Three New Street Lights

Installation of three new street lights was approved in a resolution adopted by Granite City council members Monday night.

The new lights are to be located at 2225 Grand avenue, 2138 Grand avenue, and 2232 Iowa street, Alderman Emory Daves, chairman of the Light committee, asked the council also to consider the installation of a street light at bidgewood and Killarney drives and an alley light in the 1800 block between Delmar and Edison avenues.

Daves said his committee is conferring with Illinois Power Co. on brightening the downtown white way system to be similar to the system recently completed along Madison avenue. "We also are talking about replacing all city street lights with a new, brighter-type fixture such as the one installed at East 23rd street and Naimokel road," Daves said.

The Eighth Ward alderman asked the fire chief to survey Lydia lane for installation of a fire hydrant.

New Bids Sought

Only One Bid Received For Five GC Police Cars

With only one bid received for five new police cars, Granite City council members voted Monday night to return the proposal unopened to the comptroller and call for new bids to be opened March 6.

Comptroller John Doohar said the bid proposal was received late Monday afternoon in a plain envelope and he did not know which local auto agency had submitted it.

Alderman Casmer Slushish, chairman of the Police committee, expressed disappointment over receiving only one bid and said the committee's recommendation was to leave the bid sealed, return it to the bidder and call for bids again.

A suggestion was made that personal calls be made to local dealers as well as placing a bid advertisement.

Should the dealers indicate a lack of interest, none distributors are to be asked to notify out-of-town auto agencies.

was damaged by a westbound auto, and children crossing the street narrowly missed injury, police said. Booked for careless driving, property destruction, driving while under the influence of alcohol, no driver's license and leaving an accident scene, Hamm was released on bond until a hearing Saturday.

Mrs. Helen Sanasarian Dies of Kidney Ailment

Mrs. Helen Sanasarian, 50, of 1631 Spruce street died at 6:50 p.m. Monday at Jewish Hospital, St. Louis, of a kidney ailment. She had been a patient at the hospital for 13 days and had been ill for the past 18 months.

A native of Kahay, Turkey, she had been a Granite City resident for 30 years and was a member of St. Gregory's Armenian Apostolic Church. Her husband, Abraham, died in 1959.

Surviving are two sons, Lartou and Leon Sanasarian, both of Granite City, and a daughter, Miss Marguerite Sanasarian, also of Granite City.

Services were held at 2 p.m. today at the church where she was a member. Burial was at Sunset Hill Cemetery. Arrangements are given in the obituary column.

Hit-Run Collision

A hit-and-run car damaged the front of the parked auto of Carl J. Spohr, 1621 Fourth street, Madison, in front of his home at 12:35 a.m. Tuesday. A pink 1957 car is being sought.

Vandals Damage Truck

Walter Chatman reported to Granite City police Monday that vandals had broken a window in road.

A Cities Service truck while it was parked across the street from his garage at 1569 Porttown road.

DAR Re-Elects All Officers For Two Years

The biennial election of officers of Drucilla Andrews Chapter, Daughters of the American Revolution, was held Tuesday evening and all officers were re-elected for another term.

They are Miss Ella Ray Smith, regent; Miss Nell Carr, vice regent; Miss Anna Wilcox, secretary; Mrs. Eva Meier, treasurer; Mrs. John Tate, chaplain; Mrs. Thelma Haven, historian and librarian; and Miss Moore Groshoe, registrar.

The meeting was held in the apartment of Miss Smith on Niedringhaus avenue with Mrs. Helen Barco as co-hostess.

The hosts opened the meeting with the pledge to the flag, followed by the Lord's Prayer. She later read the monthly message of the President General, Mrs. Doris Pike White who is on a tour of the south-west and mid-central states attending conferences. Mrs. White referred to the women who blazed trails into the western territories in covered wagons and stage coaches and announced that the DAR has honored them as Madonnas of the Trails.

The remainder of the time was taken up with a paper by Mrs. C. A. Uzell on two former presidents, Washington and Lincoln.

Refreshments were served after the meeting to 11, including two guests, Mrs. Fred Piaper and Mrs. Esther Richie, the latter of East Alton.

The March 20th meeting of the chapter will be with Miss Lucille Coulter.

Young Couples Class Meets

The Young Married Couples Class of Hope Lutheran Church met this week at the church with approximately 40 present.
